Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Following a review of residential sales within a 2km radius during the preceding six months, two properties were identified as the most materially comparable to the subject. Particular consideration was given to construction age, contemporary single-storey design, accommodation, internal floor area, land size, living configuration and standard of presentation. Other sales investigated differed more substantially in these characteristics and were not considered sufficiently comparable for inclusion. The two selected properties provide the most relevant available sales evidence, with their individual differences acknowledged.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
