Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

A search of recent sales within the surrounding area and relevant timeframe has been undertaken. However, less than 3 suitable sales featuring a three-car attached garage have been identified. Due to the limited availability of properties with this specific feature, three directly comparable sales could not be obtained
