TAE SKILL SETS

BUILD YOUR SKILLS, ONE SET AT A TIME

TAE Skill Sets – Nationally Recognised & Industry Relevant

Skill sets are short, focused training programs made up of one or more units of competency from nationally recognised qualifications. They are ideal for learners who want to upgrade specific skills without committing to a full qualification.

At SGSCC, we offer a selection of TAE Skill Sets designed for trainers, assessors, and educators across industries. These skill sets are perfect for current professionals looking to sharpen their expertise, meet compliance requirements, or expand into new areas of vocational education and training.

Each skill set includes nationally recognised units and leads to a Statement of Attainment.

All skill sets are delivered online with live trainer support.

Cost: $850 per skill set

AVAILABLE TAE SKILL SETS:

TAESS00026 - FOUNDATION SKILLS INTEGRATION SKILL SET

Empower your learners by building their foundation skills.
This skill set is designed for VET trainers and assessors who want to confidently support learners with their reading, writing, numeracy, digital, and employability skills during training and assessment. You'll gain practical strategies to identify foundation skill needs and integrate support directly into your training sessions - helping your students succeed in both learning and work. Perfect for trainers delivering accredited courses or those looking to enhance inclusive practice across all industries.

TAESS00027 – TRAINING DESIGN SKILL SET

Design with purpose. Deliver with impact.
This skill set is ideal for trainers, assessors, and instructional designers who want to create high-quality, compliant training and assessment resources. Learn how to align your materials with nationally recognised training requirements and support diverse learner needs. Whether you're writing programs for your team, your organisation, or your own delivery, this course equips you with the tools to design engaging, effective, and standards-based training that makes a difference.

TAESS00020 – WORKPLACE TRAINER SKILL SET

Train with confidence. Make a difference at work.
This skill set is designed for individuals who deliver on-the-job training - whether formal or informal. If you're supporting staff, mentoring team members, or running toolbox talks, this course will give you the practical tools to train effectively in the workplace. You'll learn how to plan and deliver training for individuals or small groups, helping others grow their skills while supporting your team's success.

TAESS00019 – ASSESSOR SKILL SET

Assess with clarity. Support learner success.
This skill set is perfect for those who want to develop the skills and knowledge to assess competency in line with national Vocational Education and Training (VET) standards. Whether you're new to assessing or formalising your skills, this course gives you the confidence to conduct assessments professionally and fairly. You'll learn how to plan, conduct, validate, and review assessments to support learners and ensure compliance with training package requirements.

TAESS00024 – VET FOR SCHOOL STUDENTS: TEACHER ENHANCEMENT SKILL SET

Equip your students for the future. Upskill with VET expertise.
This skill set is designed for qualified secondary school teachers (Bachelor of Education or higher) who want to confidently deliver VET (Vocational Education and Training) programs to school students. You'll gain practical knowledge in training design, assessment, and the VET framework, helping you support your students with industry-relevant, career-focused learning. Perfect for teachers looking to add nationally recognised VET capability to their professional toolkit.

WHY CHOOSE A SKILL SET?

- **Focused, time-efficient, and nationally recognised**
- **Delivered 100% online with live trainer guidance**
- **Build toward a full qualification at your own pace**
- **Perfect for professionals, part-time learners, and upskillers**

TRAINEESHIPS - LEARN. WORK. GROW.

Traineeships are a powerful way to gain nationally recognised qualifications while you work. Whether you're new to the workforce or upskilling in your current role, a traineeship offers the unique advantage of learning on the job, while being supported by experienced industry trainers.

At SGSCC, we make it easy and flexible.

For the Employee:

- **Earn while you learn** – Apply your learning in real time in your workplace.
- **Flexible delivery** – Your trainer comes to you or connects with you online.
- **Tailored support** – Your trainer becomes your personal coach and mentor, guiding your development and growth.
- **Nationally recognised qualifications** – Open doors to career progression and new opportunities.
- **Real-world relevance** – Everything you learn is immediately applicable to your role.

For the Employer:

- **Upskill your team with minimal disruption** – Training is delivered in the workplace or online to suit your operations.
- **Customised learning plans** – Aligned to your business needs and staff development goals.
- **Boost productivity and staff retention** – Trainees are motivated, engaged, and more confident in their roles.
- **Access to government funding and incentives** – Save on training costs while investing in your workforce.

How It Works:

1. Choose the qualification that suits the role.
2. We handle the paperwork – including training contracts and enrolments.
3. We train on-site or online – supporting both the trainee and the employer every step of the way.

Traineeships are available in a wide range of industries including Aged Care, Early Childhood, Business, Community Services, and more.
