A Note from your President...

We had 22 teams competing in Summer 2013/14 with 7 teams making it to finals. The Inters 2 team led by Lex Farrell won their premiership after going through the season undefeated. Well done to all players, coaches and umpires who represented the club.

We had a great turnout to our summer presentations at both Waterworld (with great weather again) and the Paradise Hotel. Congratulations to all trophy winners and these players who received milestone game medals:

100 games: Mikhala Stevens, Bianca Zoanetti, Ava Reynolds, Kate Barton, Georgia Duffield, Madison Nenke, Emily Richardson-Smith, Elyse Williams, Georgia Allery and Jodie Love

150 games: Erin Robinson, Mackenzie Reynolds, Natasha Prideaux, Jessica Green, Emma Bacchus and Kahlin Williams

200 games: Erin Doolan and Sonia Love

250 games: Karlea Kremer

600 games: Nicky Cox

There were joint winners of the Presidents trophy last season. Well done to Erin Watson and Georgia Sellmann on a great season.

For the upcoming Winter season we have 18 teams (3 senior and 15 junior). Thank you and good luck to all coaches who have taken on roles for the season.

Uniform:

Our uniform consists of:

A club Bodysuit which must be worn to each game;

A Clash Top (red polo top) which must be worn out to every game and preferably to training. These tops must be worn if your team colours are the same or similar to your opposition team. Tops are available from the club rooms for \$50.00.

Socks must be worn above the ankle bone and be either plain white (no logos) or club specified socks.

No ankle jewellery is permitted and earrings need to be removed before the game, and nails kept trimmed.

Fundraising News:

As in past seasons, we fundraise to replace our netball stock and to minimise the cost of trophies at the end of each season.

This will be done through the ever popular **Cadbury Chocolates** fundraiser. The boxes will be distributed per family around the end of May and monies will need to be returned by the 3rd July.

We will be holding BBQ's at the SADNA courts through Winter season on Saturdays ... look out for further information about these dates.

As always, any help with our fundraising projects is greatly appreciated.

Please see a committee member in the club rooms for more information. Thank you

Netball—Codes of Conduct

Parents of young children (Net-Set-Catch, Sub Primary and Primary) girls should, if possible, remain at the courts during training in the event that your child has an injury, training finishes early due to the weather or any other unforeseen issues arise.

Due to the large numbers of teams using our courts and the congestion that arises, it would be appreciated if parents could wait for their child/children on the outside of the courts.

Coaches—remember that if you require help during your training, there is always someone available to be asked. Use your resources.

Remember rules are written to protect coaches, players and umpires, so these should be followed.

We updated our information booklet with the Club's Policy & Procedures; Player, Spectator and Coaches Codes of Conduct along with other information required through our association with SADNA and Netball SA, last year. If you do not have a copy, please see Deb or Monica in the club rooms to get one.

All of our clubs policies are also available to view at our website along with any other information you might need. Visit... www.hopevalleync.com.au

INFORMATION BOOKLET

Medical Forms— each year at Winter Season, medical forms are given out to players to fill in. These are required so that coaches are aware of any health issues that your child may have and so that we have up-to-date information on emergency contacts and health cover. These forms will be handed out at either the first training or your first game. Please return them promptly. Thank you.
