Fundraising News:

As in past seasons, we fundraise to replace our netball stock and to minimise the cost of trophies at the end of each season.

This will be done through the ever popular **Golden North Ice Cream** fundraiser and we will be having another **Wine** sale with delivery before Christmas.

We will be holding BBQ's at the SADNA courts through the season on Friday's ... look out for further information about these dates.

As always, any help with our fundraising projects is greatly appreciated.

Please see a committee member in the club rooms for more information. Thank you

Netball—Codes of Conduct

Parents of young children (Net-Set-Catch, Sub Primary and Primary) girls should, if possible, remain at the courts during training in the event that your child has an injury, training finishes early due to the weather or any other unforeseen issues arise.

Due to the large numbers of teams using our courts and the congestion that arises, it would be appreciated if parents could wait for their child/children on the outside of the courts.

Coaches - remember that if you require help during your training, there is always someone available to be asked. Use your resources.

Remember rules are written to protect coaches, players and umpires, so these should be followed.

We updated our information booklet with the Club's Policy & Procedures; Player, Spectator and Coaches Codes of Conduct along with other information required through our association with SADNA and Netball SA, last year. All of our clubs policies are also available to view at our website along with any other information you might need. Visit... www.hopevalleync.com.au
