Routine Orders, Part 1,

by

Capt. A.C.M. HORNSBY.

Serial 1/45

Nos. 1 - 6

Date: 15 Jan., 1945.

1. TRAMS & TRAINS - MILITARY PERSONNEL ALIGHTING FROM.

Q'land L of C Sub-Area RO is republished herewith - RO A.140/1944.

1. The practice of troops alighting from or boarding trams and trains on the wrong side has become very prevelant.

2. This practice will cease.

2. DIVING ACCIDENTS.

1. Q'land L of C RO A.7/1945 is republished herewith.

2. Serious accidents to Army personnel through diving into shallow water and striking either the bottom of the creek or pool or submerged logs have been recently reported.

3. Units will warn troops of the dangers resulting from diving in such creeks, etc.

3. TRADE GROUPINGS - USE OF ARABIC NUMERALS INSTEAD OF ROMAN NUMERALS IN DESIGNATIONS.

1. Q'land L of C RO A559/1944 is republished herewith.

2. Reports indicate that the use of Roman Numerals (I, II, III, IV) in the designation of trade groupings creates a greater likelihood of error than would be the case if ordinary arabic figures (1, 2, 3, 4) were used.

3. Action is therefore being taken in the near future to amend GRO A.245/44, War Establishments and other relevant instructions to provide for the substitution of arabic figures in such designations.

4. Such amendments will be anticipated and action will be taken forthwith to use arabic figures in all references to trade grouping in records, instructions and other documents.

4. ACCEPTANCE OF BENEFITS BY MEMBERS OF THE FORCES.

Q'land L of C RO Q.561/1944 is republished herewith.

1. Any member who may in a private capacity have an interest in any business organisation with which he may in the course of his military duty become concerned in transactions with the Department of the Army, will disclose the fact to his superior authority so that he may be relieved of being a party to any contract between the Army and his firm.

2. Units will therefore impress upon members the importance of maintaining the highest standards of conduct and service in all their dealings with members of the public.

5. SECURITY OFFICER.

Capt. C.D. PEAT is appointed Security Officer vice Capt. W.H. PENHALIGON.

6. FIRE OFFICER.

Capt. C.D. PEAT is appointed Unit Fire Officer vice Capt. W.H. PENHALIGON.

NOTICES

INSTRUCTORS FOR INDUSTRIAL TRAINING DIVISION - DEPARTMENT OF LABOUR AND NATIONAL SERVICE.

The Department of Labour and National Service has advised that, under the Commonwealth Reconstruction Training Scheme, many additional trade instructors will be needed in technical schools and colleges and similiar training organisations, particularly in the building trade.

Although the services of these instructors generally will not be required until the cessation of hostilities, or just prior thereto, it is desired to give members of the forces who wish to be considered for such appointments an opportunity of lodging advance applications for selection at a later date.

Applicants are required to be fully qualified tradesmen, preferably with some experience as instructors. Selected instructors without satisfactory teaching experience may be required to undergo a short extensive course of training, during which appropiate rates of instructors will be paid.

Successful applicants, who can be spared for release from the Army, will be appointed as temporary trade instructors by the appropiate State Public Service authority. Application forms and conditions of training and employment may be obtained from the Deputy Director of Industrial Training, Department of Public Instruction, Brisbane.

CLASSIFICATION OF UNITS AS A.I.F. 47 AUST DOME (WKS).

Date: 25 Mar 45.

10. ANIMALS MASCOTS AND PETS.

GRO 53/1945 is republished for information.

1. No animal or bird which is not an authorized war establishment will be permitted to accompany troops or any member of the AMF.

2. The entry into Australia of animals or birds from places outside Australia is subject to strict regulation under the Quarantine Act, owing to the risk of the introduction of rabies, piroplasmosis and other diseases.

3. Under no circumstances will permission be granted for the conveyance by sea or air from places outside Australia to the Commonwealth of Australia proper (including islands adjacent to the coast) of -

(i) animals or birds on the WE of a unit, whether allocated before or after embarkation from Australia; or

(ii) living mascots, pets or other animals or birds, whether acquired before or after embarkation from Australia.

4. (a) ESOs and ATOs will take action with local civil quarantine authorities to have living mascots, pets, animals or birds, which disembark or deplane at a port or an aerodrome in Australia from outside the Commonwealth of Australia, destroyed forthwith.

2x (b) Birds or animals on the WE of a unit proceeding from an overseas port to another overseas port may enter an Australian port en route, providing that such animals or birds are kept securely on the vessel and are not permitted to land. The ESO will advise the local civil quarantine officer on arrival of the vessel and make necessary arrangements with him for inspection and security of the birds or animals.

5. When a unit or detachment is moved from one location to another, animals which have been permitted by the CO to be kept in unit lines by members during their stay in the locality should not be left to fend for themselves or starve, on departure of the unit or detachment, but suitable action should be taken for their disposal or humane destruction.

11. THIRD VICTORY LOAN.

GRO 83/1945 is republished for information.

1. The Third Victory Loan of £100,000,000 cash will open for subscription on 13 March 1945 and close not later than 27 April 1945.

2. Arrangements have been made for paymasters to accept applications for Commonwealth Government Inscribed Stock or Treasury Bonds from members of the AMF who desire to invest their savings in the loan.

Particulars of Loan :-

3. Loan applications may be made for an amount of £10 or a multiple of £10.

4. Treasury Bonds are payable to bearer and are issued at par for £10, £50, £100, £500 and £1,000.

5. Inscribed Stock may be purchased at par for amounts of 100 or multiples of £10 above £100.

6. Interest is payable at 2½% per annum if invested for five years and at 3½% per annum if invested for sixteen years, and will be credited half-yearly to a member's savings bank account or current account, if desired.

7. Interest will be subject to Commonwealth taxation but not to any income tax under the law of a State. During the period of uniform taxation a rebate of 2/- in the pound on interest will be allowed to cover freedom from state taxation.

8. Any bank nominated by a member will, if requested, hold the bonds in safe custody.

AUSTRALIAN WAR MEMORIAL AWM2020.71.1861

Procedure for Lodging Applications.

9. Application Forms will be available from paymasters and unit pay representatives and are required to be completed in duplicate. An applicant's signature will be witnessed by an officer.

10. Sufficient credit must be available in the member's pay book to cover the amount he or she desires to invest in the loan. The amount subscribed will be debited in the pay book.

11. Cash may be accepted in payment of a loan subscription, in which case the amount tendered will be entered in the paybook to establish the necessary credit and a pay sergeant's or cash office receipt issued and pasted in the pay book.

12. Deposits on account of loan subscriptions will not be accepted. Where members desire to subscribe by installments, the procedure set out in RO 38/1944 will be observed. Supplies of "Bank Advice of Service Allotment" forms (vide appendix to GRO F303/1944) will be available from paymasters.

13. The Commonwealth Bank will forward to a member an interim receipt for the amount subscribed.

General.

14. Both Treasury Bonds and Inscribed Stock are readily realisable and may be sold at any time. Any bank will arrange this for a member, if desired.
