Presidents note...

The Summer season is now underway. We have 21 teams and welcome the many new players and families.

Congratulations to the teams that made finals last season and in particular to the Primary 1 & 2 teams, the Inter 1 team and the Sub Junior 1 team who all made grand finals. The Sub Junior 1 team won the premierships—well done girls.

Committee— At our recent AGM we welcomed 4 new committee members—Jo Burns, Hayley Whinnen, Joy Coventry and Karl Sellmann. Thank you to these 4 parents and to the other committee members for their continued support of our club.

Uniform - As most of you would be aware we are changing our dress to the new "A Line" style for Winter 2015. Fittings will be in February with more details to come.

Presidents Trophy— Congratulations to Brooke Galligan on winning the Presidents Trophy for most B&F votes last season.

SADNA Awards— Congratulations to Trisia Wilkey and Fiona Emha for winning the best player in their grade last season. Also Well done to Alicia Bacchus and Tegan Love on their joint umpire award.

Umpires—During last season we had 4 umpires achieve their national accreditation, Tegan Love and Alicia Bacchus (B Badge) and Emma Bacchus and Sarah Kociolek (C Badge). Well done girls and thanks to Mark Cannon for mentoring the girls. We have a great programme for developing umpires so if you are interested please, contact Deb Perry.

Good Luck to all teams for Summer season

Jason Kociolek—President

Courtesy to your Coach

We would like to ask that you give your coach plenty of notice if you are not able to attend training or able to play your game. A lot of preparation goes into preparing training sessions and games, and it makes it extremely hard if coaches have to change things at the last minute.

Criminal Screening Check

Criminal Screening Checks are now mandatory for all adult volunteers.

These screenings are paid for by Netball SA. Once the paperwork is completed it will get sent through to them for the screening to be processed and a letter will be sent to the applicant.

If you currently work in a position that a Criminal Screening is required and have one, providing the paperwork is still current, this can be used in place of issuing new screening paperwork, but we will need to sight a copy.

For further information, please speak to Deb or Jason.
