In particular, it is alleged that some personnel who have served at Darwin are doing this. (3) C.Os. will give this matter constant attention and institute checks to ensure that such chevrons are worn only by personnel who are entitled to them, i.e., members of the A.M.F., approved representatives of philanthropic organizations and civilians attached to the forces in an official capacity (except those disqualified under para. 4 of G.R.O. A.45/1943) who have departed from the final place of call in Australia for an over-seas theatre of operations of have entered a "declared theatre of operations". Bi-focals will not be supplied at public expense. (5) Repairs will usually be effected by optical units or by army contractor on the authority of the D.G.M.S. of of any representative of the D.G.M.S.
