219. MATINEE - "IN WHICH WE SERVE."

Owing to unforseen circumstances the matinee listed for today is postponed until tomorrow (Thursday). Quota allowed this Company has been further restricted. Names of personnel selected to attend will be published on Unit notice board.

220. CANTEEN SUPPLIES - CIGARETTES.

Owing to washaways on the main railway lines, the supply of canteen goods has become acute.

This will be especially noticeable in regard to cigarettes, which will be in particularly short supply for the next two/three weeks.

221. AMENITIES - CONTRIBUTIONS BY A.C.F.

It is desired that attention be drawn to the many amenities provided by the Australian Comforts Fund for the troops, more particularly in operational areas.

The Australian Comforts Fund itself does not maintain a large number of personnel, but its staff act principally in a directional and supervisory capacity.

A great deal of the actual work of handling and distributing the material which it provides is undertaken

...../OVER.

AUSTRALIAN WAR MEMORIAL AWM2020.71.3105

by representatives of the Y.M.C.A. and the Salvation Army. By internal arrangement between the Australian Comforts Fund, the Y.M.C.A. and the Salvation Army, the finance of these considerable undertakings is provided by the Australian Comforts Fund and the stores which are used by the latter bodies are almost entirely obtained by it and furnished to the representatives of the Y.M.C.A. and Salvation Army for distribution.

The Australian Comforts Fund, is dependent upon public subscription for the very large funds which are necessary to enable it to carry out its organisation and these funds are entirely received from the Australian public, and their volume is dependent upon its goodwill.

It is therefore desirable that steps should be taken to ensure that members realise that a large amount of valuable goods are supplied by the Australian Comforts Fund, and that they understand the system in vogue in the field whereunder it supplies goods, furnishes the recreation huts, provides many of the mobile canteens and other facilities, whilst the Y.M.C.A. and the Salvation Army provide those who give personal service in the distribution of goods and management of the huts and canteens. It is necessary that those who use the material for games, pens, notepaper and furniture, the foodstuffs, smokes and other effects which are so distributed realise that these everyday needs have, in fact, been supplied by the Australian Comforts Fund.

All units will therefore ensure that steps are taken periodically to bring these facts to the notice of the troops by appropriate circulars and notices. Every month a copy of the Amenities report showing the amenities received from the Australian Comforts Fund is to be brought to the notice of the troops by display on the notice board of all units.
