(1) The bleaching of articles of web equipment and gaiters, either by excessive washing with soap and soda or by other means, will cease immediately.

4. RECORD OF SERVICE BOOK - AAB 83.

22 (a) A member will take every possible care to prevent the loss, destruction or defacement of his AAB83. Failure to take such care will be regarded as a serious offence and punished accordingly.

(b) Any member losing his AAB83 will (unless the CO is satisfied that the loss was not due to any negligence on the part of the member) be charged under AA 24 (2) (or, in the case of officers, under AA 40), the fact of the loss being sufficient to found a charge of "losing by neglect public property issued to him for his use" (or of "neglect to the prejudice", as the case may be) and to justify a conviction on such charge in the absence of a satisfactory explanation.

22A " Destruction or defacement of an AAB83 by a wilful act or by negligence or the unauthorised alteration of any information contained therein is also an offence in respect of which a charge will be laid under AA.24, AA.25 or AA.40, whichever is appropriate, the advice of a legal officer being sought if necessary".

(8) Any bank nominated by a member will, if requested, hold the bonds in safe custody.

PROCEDURE FOR LODGING APPLICATIONS

(9) Application forms will be available from paymasters and unit pay representatives and are required to be completed in duplicate. An applicant's signature will be witnessed by an officer.
(10) Sufficient credit must be available in the member's pay book to cover the amount he or she desires to invest in the loan. The amount subscribed will be debited in the pay book.

(12) Deposits on account of loan subscriptions will not be accepted. Where members desire to subscribe by instalments, the procedure set out in GRO F303/44 will be observed. Supplies of "Bank Advice of Service Allotment" forms (vide appendix to GRO F303/44) will be available from paymasters.

All personnel concerned must be given clearly to understand that mail matter will be redirected to one address only and that no discrimination whatever as to items to be so addressed will be undertaken by Army Postal Services. The sole responsibility for redirection instructions relating to the forwarding of mail matter will be that of the individual concerned.

NOTICES - HAY SHOW - WEDNESDAY 3 Oct 45

The following is an extract of a letter received from the Hon Sec. HAY Pastoral and Agricultural Association.

"The show is being run in the joint aid of the Red Cross and the Comforts Fund, and also we hope that it will help to provide a day's entertainment for the troops which, we realise, are on a station which at times might become dull. The admission to the ground will be free to troops.

May we also say how gratified this committee is at the great interest the troops are taking in the Popular man competition, which of course, is part of this same appeal."

SPORTS: Sports scheduled for Wednesday 3 Oct 45 will be held on Tuesday 2 Oct 45.

5. CONSERVATION OF RUBBER - SYNTHETIC TYRES

1. This order will be read in conjunction with GRO 167/44.

2. The critical rubber situation and the necessity for obtaining the maximum service from tyres has been stressed from time to time. The further deterioration of the situation, necessitating the introduction of tyres of synthetic construction, renders it imperative that greater care than ever be exercised in the use and maintenance of all tyres, whether of synthetic or natural rubber construction.

3. Synthetic tyres are far more susceptible to failure through abuse than tyres constructed from natural rubber. All concerned will therefore:

(a) Exercise the utmost care to avoid overloading, underinflation, hard braking and fierce acceleration, high speeds, bumps and other causes of severe impact;
(b) Check wheel alignment frequently and correct irregularities promptly:
(c) Rotate tyres regularly;
(d) Remove stones and flint from tyres during unit maintenance;
(e) Submit tyres for replacement at correct stages, recapping, and
(f) Submit damaged tyres for repair without delay.

Formations and units will ensure that prompt disciplinary action is taken where breaches of this order occur.

(a) Sub-Unit Command.
(b) CO
(c) HQ NSW L of C Area (P.W&I)

(e) Military Board.

2. The use of correct channels of complaints is to the members advantage, as these channels ensure that complaints are investigated, and are referred to the authority who has power to grant any necessary redress, by the most direct means.

Complaints through other that the prescribed channels, on the other hand, start at the 'wrong end' of the correct channel, so that they have to be referred down to units for investigation and then back to the appropriate authority for consideration as to whether any remedial action on the complaint is necessary. The result is that, in addition to the use of the incorrect channels being prejudicial to discipline, a member using those channels causes unnecessary correspondence and delay in the consideration of his complaint.
