ROUTINE ORDERS
BY
BRIG. A.C.S. HOLLAND V.D. COMD. 9 AUST. INF. BDE.

H.Q. 9 Aust Inf Bde.
HOME FORCES
23 June'42

Part I No. 83.

1. FIRST AUSTRALIAN ARMY ORDERS.

First Aust Army Orders, Ser 9, of 17 June'42 have been issued to all Units and will be noted for information, necessary action, and filed for future reference, Attention is drawn to the following paras :-

Censorship (para 123)

"1. Investigations and reports form District Censors show that franking offrs are NOT carrying out their duties as laid down in Army Fd Censorship Instn No 22

2. The large amount of uncensored mail posted in civil boxes indicates that security offrs in units and formations have NOT succeeded in impressing upon ALL ranks the need for security in correspondence.

3. Unit and Formation Security Offrs will ensure that all franking offrs read and initial Army Fd Consorship Instns No 22 and that every franking officer prepares, submits to the security offr for approval and then delivers a series of short talks to his tps explaining the Censorship instns. These talks must also emphasise the need for security in correspondence and the grave consequences that may follow leakage of infm through faulty censorship.

4. Franking Offrs will warn their tps that uncensored mail is liable to censorship interception at Base, that many [illegible] instances of evasion of Censorship [illegible] detected each week and the offenders punished and that all future breaches of censorship instns that are detected will be followed by disciplinary action

Channels of communication for complaints etc. (para 126)

1. It has come to notice that many soldiers are writing to authorities outside the Army to have complaints, applications for leave or exemption etc dealt with.

2. This course is usually taken by a soldier who is ignorant of his rights and all ranks must be instructed as to the correct channels of communication and the actions to be taken on a complaint or request by a soldier. C.O.'s will ensure that a soldier's complaint or request is not neglected through a subordinates lack of knowledge of his duty.

3. Personnel will be instructed that soldier's quickest means of obtaining redress of a wrong is through his own C.O. If a soldier's case is genuine he will obtain the necessary relief through his own unit, but if his case is not genuine writing to an outside authority will not help. In a genuine case, approach to an outside authority will merely delay the relief which could be obtainable in the unit.

4. All ranks must understand that in certain circumstances, approach to an outside authority may constitute an offence. In the case of soldiers who have recently been enlisted from civilian life, this rule is not enforced strictly but if a unit is in danger of failing in its task through pressure of outside correspondence strong action will be necessary.

BRIG. A.C.S. HOLLAND, V.D., COMD. 9 AUST. INF. BDE.

H.Q. 9 Aust. Inf. Bde,

NIL.

A. & Q.

1. ROUTINE ORDERS.

The undermentioned Orders have been issued and will be noted for information, necessary action and filed for future reference.

First Aust. Army Orders Serial 10 of 24 Jun. 42.

2. RESTRICTIONS IN RELATION TO THE POSSESSION AND CONSUMPTION OF LIQUOR.

Ref. First Aust. Army R.O's of 24 Jun. 42 para. 148.

"1. Except as provided in para. 2 hereof, no member of the Australian Military Forces when in uniform shall:-

(a) In any public place; or
(b) In any doorway or vestibule opening on to any public place or to which access may be gained from any public place; or
(c) In any highway or public road; or
(d) In any vacant land adjacent to a park or public reserve; or
(e) On any part of a park or recreation reserve; or
(f) In any public conveyance

consume any intoxicating liquor or have in his possession any intoxicating liquor contained in a bottle or a container of any description.

2. Nothing in this Order shall prevent

(a) the consumption of liquor upon licensed premises in accordance with the State Liquor Laws or upon the premises of any Naval, Military or Air Force Institute, Mess or Canteen in accordance with the regulations and Orders applying to such Institute, Mess or Canteen; or
(b) the supply or possession of liquor contained in a bottle or other container to or by any such Institute, Mess or Canteen in the ordinary course of its lawful business.

3. Commanding Officers will ensure that the above Orders are brought before notice of all troops from time to time on parade. It is the duty of Commanding Officers to endeavour to inculcate in the men under their command a respect for their uniform, the wearing of which should operate not as a license to contravene the law but as an obligation to set an example in its observance."

P.T.O. para. 3.

AUSTRALIAN WAR MEMORIAL AWM2020.71.8461

3. SECURITY OF INFORMATION - TELEPHONE.

Ref. L.H.Q., M.I. 1579, of 11 Jun. 42.

"1. Instances have been reported to L.H.Q. in which P.M.G. officials have required Service personnel, applying for concession rate trunk line calls, to supply, not only the number, rank and name of the applicant, but also his Unit.

2. When concession rates for trunk line calls were originally introduced they were restricted to calls emanating from Military Camps or Garrison Stations. In September, 1941, however, they were extended to embrace calls originated by members of the Forces at any Post Office in the Commonwealth where public telephone facilities are provided.

3. Eligibility to make concessional calls in the latter cases is dependent upon compliance with the following conditions:-

(a) Each member of the Navy, Army or Air Force Services who desires to make a private trunk call from a civil Post Office at half of the normal rates must attend personally in uniform and present his leave pass of pay book in order to establish his bona fides.

(b) The call must be paid for at the time of booking and be made from the Post Office.

(c) The applicant's number, name and rank will be recorded by a Postal Official.

(d) Where a group of men visit any centre under the control of an Officer or Non Commissioned Officer - e.g. a route march - the senior officer may arrange with the Post Master concerned to accept cash calls from members of the units at the reduced rates.

4. It will be noted that the foregoing conditions do not require the unit of the soldier to be recorded by the Postal Official when a demand is made for concessional trunk line calls.

5. The P.M.G. Department is arranging to have further instructions promulgated throughout their Service to ensure that the conditions outlined in para 3(a) to (d) are observed. This will ensure that the unit particulars of individuals are not recorded when trunk line calls are made."

4. IDENTITY DISCS.

Experience in the Middle East has shown that great confusion exists where men are injured and are not wearing identity discs. Units will therefore ensure that all personnel are issued with identity discs properly completed and that these discs are worn at all times. Periodic inspections will be made and personnel not complying with this instruction suitably dealt with.

5. DUTY D.R. FOR 9 AUST. INF. BDE.

9 Aust. Inf. Bde R.O. 63 of 23 Jun. 42, para. 3, is amended as follows:-

27 Jun. 42	-	9 Aust. Fd Regt
4 Jul. 42	-	17 Aust. Inf. Bn.
11 Jul. 42	-	18 Aust. Inf. Bn.

(G.C.DARLING) Maj.,
