AUSTRALIAN WAR MEMORIAL AWM2022.5.797

164. **LEAVE WITHOUT PAY.**

1. Cases are still occurring in which members who have been granted leave without pay afterwards claim that they were not aware of the full effect of the grant of such leave.

2. In order to reduce the possibility of misunderstanding to a minimum the following action will be taken :

(a) The officer who first receives an application for leave without pay will before dealing with the application, satisfy himself by personal interview with the member concerned, that the member understands the full effect of a grant of such leave.

Paras 105 and 106 of CRO A.598/1943 are as follows :-

105. Attention is drawn to the provisions of War Financial (Military Force) Regulations, which provide, in effect, that all pay (including allotments) and pay allowances cease in respect of any period for which a member is granted leave (or an extension thereof) without pay.

106. When leave (or extension thereof) without pay is granted the following will not be payable during the period of such leave (or extension) :-

(b) Field allowances ;
(c) Command allowances;
(d) Special allowance;

(i) Any allowance payable under Regulation 9 of the abovementioned regulations.

165. **CONVEYANCE OF PERSONNEL BY M.T.**

1. All personnel being conveyed by M.T. will be carried inside the backs of the vehicles.
Many instances have been noticed where personnel and native parties have been carried on the running boards, mudguards and canopies of vehicles. This practice will cease forthwith.

2. Natives will not be carried in the front seats of vehicles alongside the driver, nor will vehicles stop to give natives a lift.

3. At no time will trucks be driven with the tail-board swinging. It is the driver's responsibility to see that the tail-board is securely fastened prior to movement.

166. **ESCAPES OF AUSTRALIAN PRISONERS OF WAR FROM ENEMY HANDS.**

1. It is the duty of any soldier if captured by the enemy, to effect his escape at the earliest possible moment.

2. It is also his duty- any breach of which is a serious offence - not to communicate to unauthorised persons any information about the means employed by him or his companions to escape from enemy hands .

3. The disclosure of such information :-

(a) Prejudices the chances of other escapees.
(b) Prevents other members of Australian or allied forces from using the same or similar means of escape.
(c) Endangers the lives of those who may have assisted the escapees at any stage of their escape.

therefore, except as provided in paras 4 and 5 below, an escaped prisoner of war is forbidden to disclose particulars of his escape directly or indirectly to any person whatsoever, either by word of mouth or in writing.

4. An escaped prisoner of war will disclose full particulars of his escape only to officers authorised by the Director of Military Intelligence to interrogate such and escapee on the circumstances of his escape.

5. Should it be considered desirable for an escaped prisoner of war to

6. GHQ O.192/1943 is cancelled.

167. RETURN OF PERSONNEL TO UNITS FROM CCS.

1. On evacuation from CCS for return to units all personnel will report to the Reception Camp and NOT direct from CCS to Unit.

2. Many instances have occurred in which personnel evacuated from CCS to Reception Camp have left the transport en route and returned direct to their units, this causing considerable inconvenience in maintaining essential records.
This practice will cease forthwith.

3. Units will NOT accept personnel who report direct from CCS or from the Reception Camp without a nominal roll.

4. Disciplinary action will be taken in respect to any breach of this order.

168. AREAS OUT OF BOUNDS.

169 THEFT OF VEHICLES - RESPONSIBILITY OF DRIVERS.

1. The theft of vehicles especially "Jeeps" is becoming more prevalent and immediate action must be taken by all concerned to overcome the menace of deliberate theft, borrowing or "Joy-Riding".

2. The attention of transport NCOs and Drivers will be directed to Para 18 of STANDING ORDERS FOR DRIVERS OF MECHANICAL VEHICLES.
This para is repeated herewith:-

(a) Para 18. Drivers are not to leave their vehicles whilst on duty, except when properly relieved and one man at least should always remain with the vehicle, provided that in unavoidable cases such as a driver working singly, the vehicle may be left for short periods after every precaution has been taken to safeguard it and its contents. The driver is still responsible for any damage or loss which may occur whilst he is so absent, and he should therefore make arrangements for the protection of his vehicle during his absence.
Motor cycles when unavoidably left should be secured with a padlocked chain.

3. A driver will be held personally responsible for any damage to or loss of any part of his vehicle or its equipment which may have been caused through his neglect or carelessness.
He should therefore be most careful in checking over his vehicle at a hand-over and should take all possible steps to prevent persons tampering with his vehicle

5. All ranks having pistols in their possession are held personally responsible therefor and will immediately report the loss of such pistol.

6. The loss of a pistol is to be regarded as an offence for which the offender is to be tried by Court Martial, unless the Formation Comd. otherwise directs. In all cases of loss of pistols, the offender will be charged and a Summary of Evidence will be taken which will be forwarded to the Formation Comd.

7. NEW GUINEA Force Order 55/42 is cancelled."
