"DIED OF WOUNDS 3-10-18"

Pte. Marshall died in 2/1st Southern General Hospital, Dudley Road, Birmingham on October 3rd. He had suffered from Gastric Ulcer, and he had severe haemorrhage.

He was buried in Scotland according to arrangements made by his uncle, so that the Military Funeral which would have been given here was not provided.

As far as I can get to understand, Pte. Marshall did not leave any message for his relatives, and he died quite peacefully and without pain.
