89 LEAVE PASSES AND PAYBOOKS, INSPECTION BY MEMBERS OF PROVOST CORPS.

(SAL OF C ARE A ROUTINE ORDER NO.68/44).

Personnel on leave, when requested by members of the provost corps, must hand over their passes for inspection. After inspection and notation the pass will be returned to the holder. Similarly paybooks will be produced and handed to the Provost for inspection when required.

90 SALUTING(SAL of C Area 635/43)

Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possible due in no small measure to a misunderstanding of the meaning of the G R O 198/42.
The following instructions are issued in clarification of GRO198/42

(a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect, every one of the group of soldiers must salute, the only exception to this rule is when the group is on parade under the immediate control of a superior. This is usually applicable when a group of officers meets a senior officer.

(b) The exception provided for in GRO 198/42 para 1 is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

91 TAXATION 1944/1945 (GRO 154/45).

Members required to lodge tax returns:-

4. A member on full-time military duty, the total of whose military and private income exceeds £250 during the year ending 30th June,45 must lodge an income tax return with the Deputy Commissioner for Taxation in the State in which the member enlisted. Such return need not be lodged by a member serving outside Australia unless his private income earned in Australia exceeds £250.

5. Military income for the year ending 30th June,1945, means the total of a member's-

(a) active pay (excluding deferred pay) calculated at the rate shown on page 2 of the member's pay book. This will include field,command,responsibility and special allowance and any allowance under WFR 9;
(b) subsistence allowance ; and
(c) value of rations and quarters at the rate of 2s5 day for the period he was rationed and quartered by Army.

6. A member on whose behalf contributions are being paid Commonwealth to the Commonwealth Superannuation Fund will the amount of such payments as income and should claim return for a concessional rebate in respect thereof.

8. Unless the member lodges a return and shows his military income in fullest detail , the taxation authorities may not be able to grant the exemptions to which he is entitled. He should, therefore include with his return a separate statement setting out the following information:-

(a) date of embarkation for service outside Australia.
(b) date of return to Australia.
(c) whether the reason for return was injury or illness.
(d) If the member has served outside Australia, his military income for the year ended 30th June,1945, should be shown under the f -owing headings:-

In such cases the member should state clearly the date of embarkation and disembarkation.

20. Subject to para 21 of this order , no tax deductions will be made in the case of

(a) any male member, without dependents, below the rank of Staff-Sergeant;

(b) any male member with dependents, below the rank of Warrant officer (Class1); or

(c) any female member below the rank of captain.

104. SALUTING.

Increasing slackness in Saluting by all ranks is becoming more noticable This is possibly due in no small measure to a misunderstanding of the meaning of GRO 198/42.

The following instructions are issued in clarification of GRO 198/42.
(a) It has been frequently noticed that only the Senior of a group of soldiers salutes an Officer or group of Officers.This is incorrect everyone of a group of soldiers must salute. The only exception to this rule is when the group is on parade under the immediate control of a superior. This is equally applicable when a group of Officers meet a Senior Officer.

(b) The exception provided in GRO 198/42 para (1) is often interpretted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when it makes the salute difficult to carry out or when doing so would cause inconvenience to other persons near the soldier

AUSTRALIAN WAR MEMORIAL AWM2019.366.2923

SALUTING Contd.

The necessity for saluting will be brought before the notice of all members of all Units continuosly. Slackness in discipline reflects discredit on the Unit concerned. Discipline is just as essential in adminis trative or maintenance Units as in combatant Units.

ROUTINE ORDER PART I.

by

Lieut. C.W. Bailey, COMMANDER FIXED DEFENCES. S.A.

106. SERVICE TO TROOPS. (EXTRACT A.R.O. 500).

The Australian Red Cross Commissioner in London has advised that Amalgated Wireless A/asia has a service to troops in England and Scotland , whereby, upon lodgement of a sum of money with the Company, flowers and books can be delivered to relatives or friends in A ustralia.

Further enquiries have revealed that a similar plan operates in Sydney and Melbourne , the Company ensuring that delivery will be effected in England and Scotland. The service is availed of frequently in England and Scotland , but very rarely used in Australia the reason being apparently, the fact that service men and women in A ustralia, particularly of British units, do not know of the existence of the scheme.

107. FOURTH VICTORY LOAN. (EXTRACT G R O 218).

1. The Fourth Victory Loan of £85,000,000 cash will open for subscription on 25th September, 1945, and close not later than 31st. October,1945.

2. Arrangements have been made for payments through paymasters and unit pay representatives to accept applications for Commonwealth Government Inscribed Stock or Treasury Bonds from members of the AIF who desiren to invest their savings in the loan.

Particulars of Loan.

3. Loan applications may be made for an amount of £10 or a multiple of £10.

4. Treasury Bonds are payable to bearer and are issued at par for £10,£50,£100,£500, and £1000.

5. Inscribed Stock may be purchased at par for amounts of £100 or multiples of £10 above £100.

6. Interest is payable at 2½% per annum if invested for five years and at 3½% per annum if invested for sixteen years , and will be credited half-yearly to the member's savings bank account or current account, if desired.

7. Interest will be subject to Commonwealth taxation but not to any income tax under the law of a state. During the period of uniform taxation a rebate of 2s in the pound on interest will be allowed to cover freedom from state taxation.

AUSTRALIAN WAR MEMORIAL AWM2019.366.2923

107 Continued.

8. Any bank nominated by a member will , if requested, hold the bonds in safe custody.

Procedure for lodging applications.

9. Applications forms will be available from paymasters and unit pay representatives and are required to be completed in duplicate. An application upon which applicant's signature appears will be witnessed by an officer.

10. Sufficient credit must be available in the member's pay book to cover the amount he or she desires to invest in the loan . The amount subscribed will be debited in the pay book.

11. Cash may be accepted in payment of a loan subscription, in which case the amount tendered will be entered in the pay book to establish the necessary credit and a pay sergeat's or cash office receipt issued and pasted in the pay book.

12. Deposits on account of loan subscriptions will not be accepted. Where members desire to subscribe by instalments , the procedure set out in GRO P503/1944 will be observed . Supplies of "BankAdvice of Service Allotment" forms (vide appendix to GRO P.503/1944) will be available from paymasters.

13. The Commonwealth Bank will forward to a member an interim receipt for the amount subscribed.

General.

108. 14. Both Treasury and Inscribed Stock are readily realizeable and may be sold at any time. Any bank will arrange this for a member , if desired

98. IDENTITY DISCS.

Identity discs are frequently the only means of identification of the body of a soldier who has died, and it is therefore of the utmost importance that the following paragraphs be understood and observed by all members of the A.M.F.

All ranks will be supplied with two identity discs,which will be worn as shown below.

(a) the No1(hexagonal)disc will be suspended around the neck, beneath the uniform by 32inches of cord,and the No2 round disc will hang 3inches below the No1 disc,the two discs being joined by 6 inches of cord.

(b) the following particulars will be stamped clearly and effectively on the discs as under.

Front side

1) army number

11) initials & name

111) index letters of religion

Reverse side blood group No as shown in AAB83

(C) the index letters of the various religions denomination are-

Lutheran	L.	Church of Christ	C.C.

ROUTINE OREDR PART 1.
BY

Lieut. C.W. BAILEY. COMMANDER FIXED DEFENCES. Sth Aust.

100. CONSERVATION OF RUBBER -CRUDE AND SYNTHETIC TYRES. GRO 227/45.

2 This order will be read in conjuntion with GRO 0. 167/44.

2 Tyres in use in the feild are now both of crude & synthethc construction and, as tyres of synthetic construction are far more susceptible to failure through abuse than tyres constructed from natural rubber, their introduction into the services has made it more imperitive than ever that all instructions dfor care and maintenance of pneumatic tyres be strictly observed.

3. All concerned will, therfore-

(1-) Exercise the utmost care to avoid all forms of tyre abuse, the principal of which are-
overloading; under inflation: incorrect fitting of tyres: harsh braking; fierce acceleration; speeds exceeding those laid down in GRO 0. 340/44. driving over obstructions and other causes of severe impact.

(2) Check wheel xxxx alignment frequently and correct irregularities promptly.

(3) Ensure that tyres are changed around periodically in accordance with currant instructions.

(4) Remove stones and flint from tyres during unit maintenance.

(5) Submit tyres for replacement at the correct stage for recapping.

(6) Submit damaged tyres for repair without delay.

4. Formations and units will ensure that prompt disciplinary action is taken where breaches of this order occur.

5. Clauses (v)& (v1) of para 3 above may be waived on the special authority of formation commanders in the assaultand early developmental stage in a new operational area, during the period in which replacement or repair is not practicable nor expedient or in which replacement tyres and repair facilities are not immediately available. In such cases, worn or damaged tyres may, if considered necessary, be run into destruction.

110. LEAVE PASSES AND PAYBOOKS, INSPECTION BY MEMBERS OF PROVOST CORPS.
Personnel on leave, when requested by members of the Provost Corps, must xxx hand over their passes for inspection.
After inspection and notation the pass will be returned to the holder.

ROUTINE ORDERS PART 1.

Lieut. C.W. BAILEY. COMMANDER FIXED DEFENCES. S.A.

114. FOURTH VICTORY LOAN.

The above Loan is now fully launched and subscribers are urgently reminded that the £85 million the Commonwealth Government are asking for is now more than ever needed to rehabilitate the Australian Military Forces. The Government does not want vested interests to benefit by subscribing the large amounts of capital that are behind the various companies, but ask that the small investor take the opportunity of security offered by the Victory Loan. If your money is in the Bank it is drawing interest at the rate of approximately 2% whereas Treasury Bonds are guaranteed 2½% for the five year bonds and 3½% for the sixteen year bonds. These bonds although ~~xxx~~ set down for certain periods are readily convertable into cash at any Bank or Broker at the rate of 1/- in the £. Remember this, if YOU dont take out bonds on your own behalf and gain the greater rate of interest, the Bank in which Your savings are lodged, will take out bonds for themselves and you will lose the higher interest offered by the Commonwealth Government for YOUR benefit.

IF YOU HAVE A FEW POUNDS LYING IN THE BANK, SEE SGT SINGLE ABOUT BUYING A FOURTH VICTORY LOAN BOND AND HELP SEAL THE VICTORY AND YOUR FUTURE. REMEMBER THAT THIS UNIT HAS ALWAYS EARNED A PENNANT IN PREVIOUS LOANS.

~~XXX~~

115. A.A.EDUCATION SERVICE.

This Service is still operating and offers classes of all description to members of the Forces. The U.E.O. (Sgt Single) has lists of all classes and Correspondence Courses and is always available to help and advise in selecting an interesting and beneficial subject for your post war job.

116. ORDERLY SERGEANT FOR WEEK ENDING 1/10/45.

123. DAZZLING HEADLIGHTS ON M.T. VEHICLES (GRO SX 264/45)

With the lifting of war-time blackout restrictions on the lighting of road vehicles and the increasing volume of road traffic, complaints are being made by road-user organisations, and particularly by tram drivers, regarding the inconvenience and danger occasioned by glaring and dazzling lights on motor vehicles.

The adjustment and operation of headlights so that, as far as practible, all avoidable dazzle to oncoming traffic is eliminated is not only part of common road courtesy , but is also required by the traffic laws and regulations of the various states.

2. The following action in regard to army M.T. Vehicles will, therefore, be taken by all concerned :-

(I) The headlamps of all MT vehicles required to operate on Public highways will be checked and adjusted in accordance with the relevant law of the state in which the vehicle is operating.

(II) The driver of an army vehicle, when approaching oncoming traffic (including trams) at night , will -

(a) dip his headlights, if the vehicle is equipped with a dipping device , when at a distance of not less than 300ft. from the oncoming vehicle and keep them dipped until he has passed it, even if the oncoming vehicle does not reciprocate.

(b) Keep as near as practible , having regard to all the circumstances, to the left hand side of the road;

(c) so reduce the speed of his vehicle that, if it becomes necessary , he can stop it within lessened limits of vision provided by the depressed beam.

(III) Drivers will immediately report any defects in the lighting system of their vehicles , including incorrect focusing and aiming of the headlights and functioning of the dipping device , which they are not qualified or authorised to rectify.

121. ORDERS FOR DEMOBILISATION -D0150(8) - (Gr.453/1/3) - ARO.591/45.

Many members are applying for medical boards on totally inadequate grounds in the belief that failure to record a Repatriation Claim now will jeopardise a future claim.

The Repatriation Commission has advised that there is no time limit within which a claim must be made for pension and /or treatment. Such a claim may be made at any time after discharge.

The excessive number of applications will inevitably delay Demobilisation Procedure.

Where necessary (e.g. owing to inclement weather) Cos and Heads of Services may at their discretion, permit variation from the orders of dress laid down hereunder. A USTRALIAN MILITARY FORCES. ORDER NOS.117-120

ROUTINE ORDERS PART I.

by

LIEUT. C.W. BAILEY, COMMANDER FIXED DEFENCES S.A.

117. POST-DISCHARGE MALARIA. G.R.O. 237/45.

1.(a) The Repatriation Commission will accept responsibility for providing any treatment necessary in respect of the first attack of malaria suffered by an ex-member of the AMF after his discharge from the Army.

(b) During such treatment , the Commission will institute inquiries as to the eligibility or otherwise for the treatment of any subsequent attacks of malaria.

2.On the first occasion after his discharge that an ex-member becomes ill with malaria, he should -

(I)if resident in a capital city - report to the Repatriation Department's branch office or general hospital , either in person or by telephone , when immediate examination and treatment will be arranged;

(II)if resident in the country - report to and request treatment from the nearest Repatriation local medical officer, who will send a report to the repatriation Department. It will be necessary for the ex-member to identify himself by production of his discharge certificate.

3.(a) If it is not possible so to report , the ex-member should consult and request treatment from his local civilian doctor and, provided prompt advice is sent by the doctor or the ex-member to the Repatriation Department, the Commission will assume full responsibility for the payment of medical fees, hospital fees and the cost of drugs.

(b) Arrangements for any further treatment will be notified to the ex-member by the Repatriation Commission as soon as possible.

4.Information regarding the treatment of malaria, with particular reference to ex-personnel, has been sent by the Commonwealth Department of Health to civil , medical practitioners.

5.In view of the foregoing, it is unnecessary for any member to be examined by a final medical board at the time of his discharge merely on account of a history of malaria. If the member has had an attack during his service, it will be on record in his medical history. Whether or not the member has had an attack during his service. he will be cared for by the Repatriation commission should he develop an attack of malaria after his discharge.

AUSTRALIAN WAR MEMORIAL AWM2019.366.2923

118. LEAVE PASSES AND PAY BOOKS, INSPECTION BY MEMBERS OF PROVOST CORPS. (S.A.L. OF C AREA ROUTINE ORDER 69/44).

Personnel on leave, when required by members of the Provost Corps, must hand over their passes for inspection.
After inspection and notation the pass will be returned to the holder. Similarly paybooks will be produced and handed to the provost for inspection when required.

119 SALUTING (S.A.L. OF C AREA R.O. 635/43).

Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possibly due in no small measure to a misunderstanding to the meaning of GRO 198/42. The following instructions are issued in clarification of GRO 198/42.

(a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect - every one of the group of soldiers must salute. The only exception to this rule is when a group is on parade under the immediate control of a superior. This is equally applicable when a group of officers meets a senior officer.

(b) The exception provided in GRO.198/42 para 1 (i) is often interpreted as being any thoroughfare or assembly.
A thoroughfare or assembly will be considered crowded only when the crowd makes a salute difficult to carry out , or when doing so would cause inconvenience to other persons near the soldier.
The necessity of saluting will be brought to the notice of all members of all Units continuously. Slackness in saluting indicates a slackness of discipline and reflects discredit to Units concerned. Discipline is just as essential in administrative or maintenance Units as in combat units.
