SCHOOL IMPROVEMENT PRIORITIES

2027 - 2030

As part of the School Renewal process, the school leadership team and/or school board has created an ongoing plan for continuous improvement. As a Catholic school, we remain dedicated to deepening our Catholic identity. Following a year of review, reflection, and consultation with our community, we have identified the following key improvement priorities to guide us through this renewal cycle.

Mission Statement

At St Kieran's, as learners, we are united to love God, love one another in an enriching educational environment where all families feel a sense of belonging as a community of believers.

OUR MOTTO

"Love God, Love learning, Love one another"

Embed a consistent MTSS framework, inclusive whole-school approach to behaviour that strengthens safety and engagement for all students.

Implement consistent, evidence-informed teaching practice to improve student academic outcomes.

Strengthen a responsive, tiered approach to wellbeing and pastoral care to improve student attendance, wellbeing and engagement.
