			during which the battery has been detached from Regimental H.Q. In the opinion of the Bty Comd, the Officers, N.C.Os & men who formed the Bty have, notwithstanding the difficulties arising from the detachment from Regt H.Q. become reasonably efficient at the end of their individual training period, although most of them had no previous experience of field artillery. As the Bty has now joined the Regt, this is the last entry in the Bty's War Diary. GHL

REPORT - Week-ending 25 Jan. 1941.

1. Training - Individual training is still progressing. Itis hoped to conduct specialist tests during week-ending 8 Feb. 41. Officers classes are continuing in the early morning and three nights a week. A recruit squad has been formed to function this week under the B.S.M. and T.S.M's. This has been found necessary as a number of men have been drafted from R.R.D. with little or no previous training,

2. COURSES. - The following courses are in progress.

Regimental Signallers	(23)	Darley, Victoria
Drivers	(24)	South Melbourne
Staff & Comd. School	Capt.	Pimlott, Duntroon
Army School of Mechanization.	Lieut Jones & Sgt. Bond.	Seymour
Trumpeters	(4)	Fort Largs
P.T. School	(2)	Wayville
Mechanics Course	(1)	Holden's, Victoria
Anti-Gas Course	(24)	Woodside
P.T. School	Lieut. Mates,	Sgts. Glasson & Carter, Frankston
Radio Mechanics Course	(2)	Melbourne

The following course has been arranged:-

Mechanics Course	(1)	Holdens, Victoria.

3. DISCIPLINE. - Several petty offences such as being incorrectly dressed were dealt with, but there were no serious breaches. One man has been A.W.L. for a fortnight.

4. OFFICERS ETC. - T/Sgts. Burgess and Gilbert had a movement order from the School of Artillery to report to 2/7 Fd. Regt. They reported to 2 I.T.D. Wayville where there is an Artillery Wing, including reinforcements for 2/7 Fd. Regt. No one knew them there and they reported to me on 21 Jan. 41 After speaking to the Adjutant on the phone, I instructed them to remain on leave until they were appointed to commissioned rank. Sgt. Martin reported last night and has been posted to D. Troop as T.S.M.

Is there any news of the captaincies, Hawkes commission and the recommendations for warrant rank?

5. TRAINING EQUIPMENT.- Additions during the week included 4 lamps, daylight Signals but no telephones.

6. CLOTHING, STORES ETC.- The R.Q.M.S., W.O. Hogan reported that the ledgers appeared to be properly kept except that write off requisitions had not been lodged. Instructions have been given for this to be done. As soon as Capt. Pimlott returns, I will arrange for unit stocktaking in accordance with S.O. for A.I.F. (Ordnance Services)

7. VEHICLES.- I have been informed by A A O D that the Bty. is to receive 16 additional vehicles including a number of 15 cwt vans which are not on the establishment. In addition, the Chevolet Staff car is to be changed for a Ford. Does this mean that the establishment of vehicles has been changed?

8. NEW METHODS.- Are any further details to hand concerning deployment and fire control?

9. LANYARDS.- Is it permissable for men to wear plaited lanyards? If it is not, it is proposed to obtain cord and teach the men to plait their own.

REPORT - Week ending 4 Jan. 1941.

1. TRAINING. - Individual trainigg is preogressing. A marked improvement can be seen, although some are very backward.

Officers are training 6 mornings a week before breakfast and 3 nights a week. I am doing most of the instruction, but every officer does some.

N.C.O's classes are held one period a day and the Sergeants and some computers attend the evening classes with the Officers.

2. TRAINING EQUIPMENT. - The Bty. has received 3 Artillery Boards No.2.
No additional signalling equipment has been received.

There are now 8 guns and Howitzers in the park and we have sufficient transport for individual training.

3. DISCIPLINE. - I have had numerous cases of absence without leave, and at one stage had nine warrants out. Two have been absent for more than 21 days and have been struck off strength. Only one is now absent without leave - he has been away for a week already.

Cases of insubordination are now very rare.

4. RECREATION etc. - Our recreation room now has wireless, piano, table tennis and numerous games and reading material.

Saturday afternoons are now set aside for sport. Inter Troop cricket was played at Woodside and Balhannah last Saturday. Probably, 2 or 3 tennis teams from the Bty. can be placed in competitions. Swimming will be arranged for others if weather is suitable.

5. COURSES. - Twenty five signallers are at Balcombe, twenty-four drivers are at ~~Exik~~ South Melbourne and Capt. Pimlott is at Duntroon.

Courses arranged are :-

P.T. School, Frankston,	One Officer & 2 Sgts.
Army School of Mechanization.	One Officer & 1 Sgt.
P.T. School, Wayville.	Twoother ranks.
Mechanics Courses, (2) Holdens.	One other rank, each course.
Artificers Course, Victoria.	One other rank.
Course in Chiropody, Victoria Park.	Two other ranks.
Anti-Gas Course, Woodside.	Twenty, all ranks.

6. OFFICERS. - I am feeling the lack of Officers, particularly with officers away at courses. If there is any possibility of filling the three vacancies soon, I would appreciate it. I have been told, that of the four Sgts. from 2/7 Fd. Regt attending the School of Artillery, only one is under 30 years of age. If this is so, it will be necessary to look elsewhere for officers and it might be possible to promote them from the unit.

7. AUDITING. - Quartermaster or R.Q.M.S. Please advise if one of these ~~[illegible]~~ are available to check the accounts of the B.Q.M.S. If not available shortly, I will arrange for an audit by Bty. Officers.

3. DISCIPLINE. - I have had numerous cases of absence without leave, and at one stage had nine warrants out. Two have been absent for more than 21 days and have been struck off strength. Only one is now absent without leave - he has been away for a week already.

Cases of insubordination are now very rare.

4. RECREATION etc. - Our recreation room now has wireless, piano, table tennis and numerous games and reading material.

Saturday afternoons are now set aside for sport. Inter Troop cricket was played at Woodside and Balhannah last Saturday. Probably, 2 or 3 tennis teams from the Bty. can be placed in competitions. Swimming will be arranged for others if weather is suitable.

5. COURSES. - Twenty five signallers are at Balcombe, twenty-four drivers are at ~~Essendon~~ South Melbourne and Capt. Pimlott is at Duntroon.

Courses arranged are :-

P.T. School, Frankston,	One Officer & 2 Sgts.
Army School of Mechanization.	One Officer & 1 Sgt.
P.T. School, Wayville.	Two other ranks.
Mechanics Courses, (2) Holdens.	One other rank, each course.
Artificers Course, Victoria.	One other rank.
Course in Chiropody, Victoria Park.	Two other ranks.
Anti-Gas Course, Woodside.	Twenty, all ranks.

6. OFFICERS. - I am feeling the lack of Officers, particularly with officers away at courses. If there is any possibility of filling the three vacancies soon, I would appreciate it. I have been told, that of the four Sgts. from 2/7 Fd. Regt attending the School of Artillery, only one is under 30 years of age. If this is so, it will be necessary to look elsewhere for officers and it might be possible to promote them from the unit.

7. AUDITING. - Quartermaster or R.Q.M.S. Please advise if one of these ~~ranks~~ are available to check the accounts of the B.Q.M.S. If not available shortly, I will arrange for an audit by Bty. Officers.

H Q, 4 M D (for information)

REPORT.

I Officers - Up to about two days ago, H Q, 4 M D had received no official notification that Maj G H Crawford, Capt J E Pimlott, Lieuts A Brookman, A L Jones, R Williams and W A Mates had been appointed to the A I F and this Regt.
The above officers, except Maj Crawford, are still drawing pay on Camp Pay sheets as Militia officers called up for full time duty.
This battery now has II officers, and one N C O (Sgt T H Hawkes) recommended. It is still two officers short.

2 Other Ranks - The battery now has I70 other ranks, of which only about 60 have received previous training in artillery work. As far as is known, about 40 from I3 Fd Bde will be available about 9 Dec 40. Until then the battery will suffer from the shortage of trained N C Os.
Two N C Os from 6 M D (L/Sgt Fuller and Bdr Larner) have been asked for through 4 M D but no reply has been received. 6 Fd Bde has been asked to nominate other N C Os from which two more can be selected.
Until equipment is received, it is impossible to express an opinion on the suitability of the men for artillery work, but from reports of squad comdrs, it appears that at least some have no aptitude whatever for artillery work.

3 Camp - No 6 site at Woodside is shared with 9 Div Amm Sub-Park, necessitating the sharing of kitchen, officers' mess, sergeants' mess and all ablutions, latrines, etc.

4 Training Equipment - No equipment has yet been received. The B Q M S reports that Ordnance Stores are very busy issuing equipment to A I F units prior to embarkation and cannot attend to this units requirements. Capt Pimlott is in Adelaide today enquiring about the matter. At least, some guns are required immediately.

5 War Equipment - The only substantial items received are the rifles.

6 Vehicles - The Bty has now I car D S; 5 lorries, 30 cwt G S and I van, I2 cwt. Capt Pimlott will enquire about further issues today.

7 Training - Training was commenced on Tuesday, 26 Nov 40 but owing to lack of equipment, has been confined to Foot Drill, P T, Field Craft, Map Reading, Ballistics, Organization of Btys, Observation and Reconnaissance and lecturettes on administrative subjects. Text books and range tables are urgently required.

8 Administrative - The lack of A I F Standing Orders and other administrative publications is hampering the administration of the unit severely. Neither I or the Bty Capt know A I F administration and are dependent on making enquiries from various people, often receiving the wrong answer. H Q, 4 M D informed the unit that all publications must come from the Regt.

Medical examination of those who arrived in camp was carried out on 28 Nov 40 and all passed the M O.
