ROUTINE ORDERS PART 1 NO 144

FOR 20 JANUARY 1944

BY MAJOR R.R. TAYLOR.

OFFICER COMMANDING 2/4 AUST FD COY RAE.

1. INTRODUCTION OF PLANT DISEASES TO AUSTRALIA:
   (a) In past years the introduction of sugar cane into Queensland from NEW GUINEA led to serious sugar cane diseases with resultant losses to growers.
   (b) To prevent repetition it is essential that the present practice of sending sugar cane to the mainland shall cease.
   (c) The forwarding of other plants from NEW GUINEA to the mainland may also result in the introduction of other serious plant diseases which must be guarded against.
   (d) A member will NOT forward, or cause to be forwarded or take with him, from NEW GUINEA to the mainland, any sugar cane plant or sugar cane, or any other plant which grows in N.G.

2. INTOXICATION LIQUOR:
   (a) The illicit manufacture in PAPUA or NEW GUINEA of any intoxicating liquor is prohibited.
   (b) The possession of any liquor so manufactured is also prohibited.
   (c) Severe disciplinary action will be taken in respect of any breach of this order.

3. HATS: Dents in hats must be straight from front to rear, and in the centre of the hat. Hat bands are to be worn on all hats, and must be of issue pattern.

4. CLEANLINESS OF KITCHENS:
   More attention must be paid to state of cleanliness of kitchens and the removal and burial of rubbish from same, owing to prevalence of dysentery in areas.

FOR OFFICIAL PURPOSES ONLY (Under A.M.R. & O. 1587)

AUSTRALIAN MILITARY FORCES

ROUTINE ORDERS PART 1 No 146

For 20 MARCH 1944

BY CAPT. I.K. McKENSEY.

ADMIN. COMD. 2/4 AUST FD COY RAE.

1. WOUND STRIPES. GRO O 86/44 authorizes the wearing of Wound stripes.

One gold stripe may be worn to denote each occasion on which a member is wounded during present war. One red stripe may be worn to denote a wound received during previous wars. Only one such stripe may be worn, irrespective of the number of occasions on which the member was wounded.

Platoons will submit names of personnel who have been wounded. Attention is drawn to Para 2 of GRO O 86/44:

"For the purpose of this order, a member will be deeme to be wounded only if he is listed as wounded in unit routine orders Pt 11, in a classification establishing the wound as a battle casualty."

2. TIME DESIGNATION.

a. As from 0200 L 26 Mar 44, the use of Daylight Saving Time will be discontinued and Standard Time (Zone "K" time) will be re-introduced. This will be effected by the retarding of timepieces one hour at 0200L 26 Mar 44.

b. To avoid any confusion arising from the change from Daylight Savint Time to Standard Time, the following procedure will be observed:-

(i) Where the time is now indicated "L", it will continue to be so indicated until 0159L 26 Mar 44.

(ii) No messages will be marked at exactly 0200L 26 Mar 44 but one minute later all messages originated in this zone wil be timed 0101L. Thereafter "K" time will be used until furth notice.

3. NATIVES & RED LAP LAPS.

(i) The previous instruction issued by this HQ to the effect that all natives wearing red lap laps would be regarded as suspicious unti l proved otherwise, is hereby cancelled.

(ii) This cancellation is made for the following reasons:-

(a) The length of time which has elapsed since natives working for the JAP were detected wearing red lap laps.

(b) The popularity of red lap laps with the natives, and the consequent probability of an ANGAU issue of this coloured lap lap to them.

(iii) However it should be realised that there are still many natives at large, under JAP influence, and all natives encountered in suspicious circumstances or in country which is NOT under our control, must be held for questioning by ANGAU.

4. PAYBOOKS & A.B. 83.

Pl. Comd. will ensure that all personnel evacuated to Hospital are in possession of their Paybooks and A.B. 83.

P. Rolocherty Lt. for Capt.
Admin Comd 2/4 Aust Fd Coy RAE.

5. INCLUSION OF UNAUTHORISED ITEMS IN KIT BAGS IN KIT STORES.

(i) During the recent fire at an Aust Kit store, violent explosions o which indicates that ammunition had been deposited in Kits.

(ii) Attention of all ranks is drawn to GRO Q178/42 which states:- "No inflamables, explosives or loot of any description will be do in any Kit store".

(iii) Disciplinary action will be taken against any officer or O.R. wh contravines this G.R.O.

For 23 MARCH 1944

By Capt. I.M. McKENSEY.

ADMIN. ORDS. 2/4 AUST FD COY RAE.

CENSORSHIP OF LETTERS.

1. Attention of all ranks is drawn to Field Censorship Instruction No 4, which clearly states, "It is forbidden to write in such a way as to disclose either directly, or indirectly any movement or rumoured or projected movement of any body of troops."

2. For the purposes of this instruction, all personnel are reminded that LEAVE entails movement of the Coy, and, as such will NOT be mentioned in letters in such a way as to give any idea of when leave is expected or anticipated.

e.g. "It looks as though I'll be home for my birthday."
or "I'll probably see Jock before he goes back from his leave."

3. Hitherto, such passages in letters have been cut out by censor, and no further action taken, but personnel are hereby reminded that continued and deliberate attempts to divulge such information render the culprit liable to be charged with an offence under Army Act.

4. It is NOT desired by this H.Q. to have to charge any soldier under this Act, but unless personnel are more careful about this matter, in future action will be taken.
