1. AMGAU - APPLICATIONS FOR APPOINTMENT TO THE DISTRICT SERVICES :

Applications are invited from members of the AIF for appointment to the District Services of the Australian New Guinea Administrative Unit (ANGAU). The unit is a formation of the AIF and carries on the functions of the former civil administrations of the Territory of NG Papua and the Mandated Territory of NG.

Australian NG (comprising both above mentioned areas) has been divided into a number of districts for purpose of administration, and each district is administered by a District Offr and a staff including Assistant District Offrs and Patrol Offrs. The positions for which applications are invited are those of patrol offrs in district establishments. Duties of such offrs relate to all aspects of administration of areas under control and extension of government influence among the native population.

Applicants who have passed leaving cert or senior exam of any state or who have qualified for matriculation at any Aust University, or who have attained at least an equivalent educational standard, will not be required to pass any educational or intelligence test before being considered for selection. In other cases an applicant may be required to pass a special test before his application is dealt with.

Applicants will be medically examined before selection.

Selected applicants will be appointed to ANGAU on probation until they have completed a period of not less than 12 months field trg and taken a course of about 15 weeks duration at an army school of administration. Appointees who satisfactorily complete this field trg and course will be confirmed in their appointments.

Appointment to ANGAU on probation will be in the rank held by the applicant at the time of selection, provided that selected applicants of a rank higher than that of Lieut will be required to accept a reduction in rank to Lieut. Selected applicants below rank of Lieut will be eligible for ~~promotion during period of field trg and course~~ promotion during the period of field trg. Upon satisfactory completion of the field trg and course, appointees will be posted to ANGAU in the rank of Lieut.

It is desirable that applicants should be prepared to make service in the Civil Administration of Papua or NG their career. Selected applicants who are ultimately confirmed in their appointments to ANGAU will be eligible for appointment to Public Services of the Civil administration of the Territories when such administrations are reconstituted.
