Enclosures | Reference No. 28/2/16. | 26th June 19 41.

Dear Sir,

I should be grateful if you would convey to Lieut. Moore and to the N.C.Os and men of your Company my thanks for their very valuable assistance in the repair of the railway track East of Haifa when it was damaged in the air raid of June the 12th. We were most grateful for their help during many hours of hard work. I regret the delay in writing to you but I have been away from Haifa for a few days.

Yours faithfully,

The above named O.R's of your Unit who have been attached to my Company for some considerable time, are being returned to you. These men have done excellent work while they have been here, a place which is not renowned as a health resort. If I can single any man out for special praise, it must be Sergeant Goodman. He has been invaluable to me, a keen and intelligent worker and a splendid disciplinarian and will make an ideal W.O.

I would suggest, that if practicable these men be given a rest or leave before resuming duty, as they have certainly earned it after their trying time here.

These men on leaving here are in possession of complete kit.
