STATE AIR RAID PRECAUTIONS.

RESPONSIBILITIES OF MEMBERS OF THE MILITARY FORCES IN CONNECTION THEREWITH. ------The Military Board commands reference to the intensification of Air Raid Precautionary planning measures in the various States of the Commonwealth. Immediate action is to be taken to impress upon all serving members of the Military Forces their obligations & responsibilities as individual citizens, in so far as compliance with local Air Raid Precautions regulations is concerned. This matter more particularly and directly concerns those individual members who by the reason of the nature of their Military Duties, are not required to live permanently in camps or barracks.

Where State A.R.P. Authorities issue directions or regulations calling upon citizens of particular areas to take certain preparatory or precautionary action, the Military Board trusts that all members of the Military Forces affected by such regulations will loyally comply with their A.R.P. obligations. The Military Board considers that the Civil Authorities will be materially assisted in their task of producing efficient Air Raid Precautions Schemes if each member of the Military Forces in his own particular home locally were to set an example to his fellow citizens by cheerfully complying with the not very onerous demands made by the responsible Air Raid Precautions Authorities.

(In so far as this Unit is concerned, the above memo has particular application to conduct of members whilst on leave.

RESERVISTS

RESERVISTS ENLISTED FOR F.T.D.:

A number of Garrison Reserve personnel have, from time to time enlisted at 2 R.R.D. for F.T.D.

Although some of these have enlisted for service in other Units, most of them are in a Grn Bn or P.O.W.Group.

Reservists were, when enlisted as such, issued with Uniform, Boots, Greatcoats and Kitbag. On joining for F.T.D., many have failed to return this Kit, and it is most essential to trace them.

It would be greatly appreciated if a check is made up of any such personnel now on strength, and enquiry made from them regarding their Reservist Kit.

Any thus traced, should be notified to this Headquarters as soon as possible, please.
