	1-10-43		The order for disbandment has caused considerable

Narellan	1-11-43 to 30-11-43		All personnel have now marched in from leave and disbandment is proceeding rapidly. Drafts are marching out almost daily and very shortly the 13th will be just a memory and a file of papers in Records.	
			Generally speaking now that they have had their leave the men are quite content to move out to their new assignments although more than a little dissapointed over missing Xmas at home for the third time since enlistment.
