FRENCH WITHOUT TEARS

Last week's attraction at the Talili Theatre was the No.12 Amenities Concert Party's "French Without Tears".

From the first act, the audience was laid in the aisles in tears, and at times was profane in its applause.

The story is simple - the tribulations of some young Englishmen in France to improve their education - and a double romance. True love runs its thorny course, and Kit and Jacqueline, Allan and Diana are finally reconciled, in apite of the attempts of Brian and Bill, the Naval Commander, to prevent the unions.

The highlights in the show were the students' antics at the Casino, and the double double-cross of Diana.

But the story may best be told by the gags in the acts.

In the first act the Professor says of the Naval Commander:
"Has he a rolling gait?"
Allan: "No, he was sober when he arrived."

In the next act the Naval Commander says to Diana:
"Let's go for a swim?"
"Audience: "Be in it sister"

The audience, with the help of a few Wednesday night imbibers, brightened the show considerably.
Bill the Commander tells Allan:
"I love her for her character."
Audience: "But what's her character?"

In naval jargon, taken literally by the audience, Bill says about Diana:
"Let's scuttle her with a plunging salvo."

Brian, reading card, received at Casino: "Baths - 50 francs"
"I must go for a bath."

In the last act Allan sums up the play:
"It isn't funny, it's a bloody tragedy."

Altogether the show was very bright and the audience left, well satis fied.

RABAUL BOXING ASSOCIATION

The Rabaul Boxing Association will hold its first tournament on Thursday 21 Mar at the 11 Bde Sports Ground.

A stadium complete with training and medical rooms is being constructed, and intending boxers, if they so desire, will be accomodated at the stadium area.

Cash prizes will be awarded to both winners and losers.

As the tournament will entail all Rabaul boxers, a good standard of boxing should be reached.

Intending participants are asked to commence training immediately.

31/51 BN "A" v 37/52 BN "A"

This unspiring match ended in a draw. The ground was the biggest drawback both in its irregular size and the flowing undulations that would take weeks of contour-mapping for a skilled surveyor.

Both teams were well matched and on a good ground would have given a first class display.

The game opened in the thick of the afternoon heat and the play see sawed from one end to the other. 37/52 scored a try which they converted mid way through the first half and before the end of that half 31/51 scored a brilliant try, Piggy McAlpin doing the damage.

In the second half the 31/51 team were definately on top, putting in continuous attacks with many a tussle right on the line. Hartshone the 31/51 full back scored a beautiful sharp angle penalty goal ten minutes before the final bell, thus equalising the scores.

FINAL SCORE 31/51 Bn 5 drew with 37/52 Bn 5

31/51 BN "B" v 22 BN "B"

22 Bn team proved too heavy for the 31/51 Bn team and forced the play to gain a well desrved victory. 31/51 Bn men played solid football and gave good opposition to the heavier team.

22 Bn kicked off running away from the sea and had the advantage of a following wind. Five minutes after play started the 22 Bn left winger made a good run from 31/51 goal line corner post to within ten yards of his own and passing the ball infield to a forward the latter scored right between the posts. The try was subsequently converted giving 22 Bn a five point lead almost from the outset of the game. Thereafter play moved back and forward until half way through the first half when 31/51 scored a try near the corner post but failed to convert. Both teams scored again before half time, with 31/51 failing to convert.

In the second half 31/51 kicked a penalty goal making the score 10 - 8 in favour of 22 Bn. (Contd on next page)

RUGBY LEAGUE (Contd)

The heat was sweltering and having its effects on all players slowing the game considerably. 22 Bn however forced the game towards the 31/51 line which was well defended by the lighter team. 22 Bn scored again just before the final bell.

FINAL SCORE 22 Bn 15 defeated 31/51 Bn 6

SOCCER

31/51 BN v CHINESE

This match resulted in a draw. Both teams played fair football although the 31/51 Bn team had a tendency in kicking the ball to resort too often to the high floating kick rather than the stab kick.

At the end of the first half the score was one goal to 31/51 Bn. In the second half this was equalised by some very smart play by Major Bates, the Chinese centre.

"Shorty" Ryan the 31/51 winger played consistent football whilst the Chinese goal keeper was a tower of strenght to that side.

FINAL SCORE 31/51 Bn 1 goal drew with Chinese 1 goal

26 BN TABLOID SPORTS

26 Bn conducted a tabloid sports meeting last Wednesday on the Aust Rules Ground. 12 teams comprising of 12 men each competed.

The organisation of the show was a credit to 26 Bn Sports Officials and the uniformity and neatness of the competing teams was outstanding.

The keenness of teams was noticable and doubtless the appropiate prizes for tropical weather were well appreciated by the winning team.

FINAL RESULT

A Coy No1 Team	115 points
A Coy No2 Team	112 points
HQCoy	111 points

Another tabloid sports meeting will be held on 26 Bn Oval on Wednesday 13 Mar.

VANDALISM ON 11 BDE SPORTS GROUND

Consistently cases of petty vandalism are being reported or damage being done to 11 Bde Sports Ground.

After the pictures at Wanderers on Friday night somebody broke off four goal posts on the Aust Rules Oval - prior to this the concrete wicket was tampered with while drying. It's up to everybody to try and stop such destruction as the staff of the ground are doing all in their power to make it attractive.

RABAUL AUSTRALIAN RULES FOOTBALL ASSOCIATION

A meeting of the above association was held on Monday morning at HQ 11 Bde.

Points decided on were:

1. A new team 8 M.D.Sigs to enter the association and not participate in the finals.

4. To complete the draw it will be necessary for certain teams to play each other twice-this only happens in a few cases and such decided on by ballot.

BASKETBALL

11 BDE SIGS v 31/51 BN

The game opened with Sigs scoring first and good work by the centre and forwards enabled them to lead 6-2 within a few minutes. however the Bn settled down and excellent play by the bn's centre and forwards soon turned the tide and at time out it was 10-6 against the Sigs. By the end of the first quarter the Bn had increased their lead to 21-8 and were in a good position. The second quarter opened with Sigs attacking but failing to score. The play was kept in the Bn's end almost the whole time but only two goals resulted-one by Heaps and the other by Turner to bring the score 24-12 at time out.

From time out till the end of the second quarter saw the Sigs in complete control of the game and able to score almost at will. Excellent play by the five players Jory, Heaps, Grogan, Turner and Porter enabled Sigs to level the scores at 28 all by the bell. This was due to team work at its best. Jory scored 5 goals in this session with Turner and Heaps adding a couple each. This 5 mins play proved to be the turning point of the game and provied sparkling basketball. Mention must be made of the backs of the Bn team as well as their centre for it was due to their efforts that the score wasn't more in favour of Sigs. Play was hard during the third quarter each side seeking an advantage but at the bell for the end of the quarter the scores were again even at 48. At this stage the rains came which delayed the last quarter for a while.

A slippery ball kept the scores down-only 4 pts being added in the five minutes. better handling by Sigs enabled them to score in the last few minutes. Jory, Heaps and Turner were the chief scorers for the Sigs collecting 48 points between them and they were well supported by the rest of the team.

FINAL SCORE 11 Bde Sigs 57 defeated 31/51 Bn 51

FRIDAY NIGHT FIREWORKS

OF COURSE YOU SAW:

The startled expression of the audience when the whistle and explosion of a shell at the nearby fireworks display coincided with the "Bombing" of Lucille at "Pillow To Post."

The terrific embrace between Diana an d Allan when a torpedo interrupted "French Without Tears."

BUT DID YOU HEAR OF:

The officer at a nearby battalion, who was ringing up HQ from under a table, while vigorousl y digging in.

HAVE YOU NOTICED?

A pleasing facture of all 31/51 Bn Aust Rules matches is the consistently brilliant play of Harman that teams captain and coach. In all types of play he is a delight to watch and his marking stamps him as "one of the best."

In the sphere of Rugby League Lt. Bill Gregory of 31/51 Bn reminds one of a jealous brooding hen guarding its young. Like the mosquito he is ubiquitous - here, there and everywhere, giving encouragement to old and new players alike.

Again on the Rugby picture, everyone has noticed the brand new 5/8 31/51 Bn has managed to acquire. From his training work and his recent game he looks the "goods" and should help keep the 31/51 team on top. His name is Nothery.

On the soccer side, if the Bde has not heard of the existence of a Bde Soccer Team, well there is. Ask the 31/51 Bn.

RABAUL AUSTRALIAN RULES FOOTBALL ASSOCIATION

The finalists of the association appear to have to have shaken out. Div Sigs, 55/53 Bn and 37/52 Bn cannot be replaced - 31/51 Bn must win to finally seal the fourth position. The only chance of their being replaced is for 18 A.O.D. to defeat 29/46 Bn and for 31/51 Bn to be defeated by 22 Bn. This would even the points for fourth place and a play off would have to be arranged.

The finals will be played as per Victorian League, allowing the two leading teams a double chance.

AUSTRALIAN RULES (CONTD)

The Navy team must certainly be the most improved team in the Association. In the early rounds they were continually trounced, but week after week they came back for more, and at present can deal it out with the best - their fine fighting spirit and sportsmanship is admired by all.

.....

55/53 Bn were unfortunate to lose their brilliant and unselfish centre half forward at such a vital stage. Vern Heaps has left for the mainland.

Throughout the Association he's reputed to be the most spectacular mark and his co-operation with the full forward O'Connell has contributed greatly to the team's high position on the premiership ladder.

.....

Congratulations to Spr Kilkenny of R.A.E. for a fine exhibition of umpiring in the match 26 Bn v 22 Bn on 11 Bde Oval last Sunday.

His helpfulness in explaining breaches to players was appreciated by all

PRESIDENT	Brig	R.F. Monaghan	
COMMITTEE	Lt Col	M.F. Brogan	- 8 M.D.
	Lt Col	D.D. Pitt	- 4 Bde

SECRETARY	Lt	J.M. Pimm

The boxing will be divided into two classes as well as in their respective weights. One for Novices and one for experienced fighters. Matches will be arranged by a matching committee consisting of the Ref and two judges, but the fighters have the right to say whether "it's on" or not. Each bout will be 3 1½ minute rounds with 1 minute rests. Prize money is 10/- per round for a win and 5/- per round for a lose.

By the way, the instructors at the training camp will coach will coach any novices wishing to have a crack. Experienced fighters will probably have to do their own training under the supervision of an instructor most of the time.

If any further details are required contact 11 Bde Amenities.

TALILI SURF LIFE SAVING CLUB

On Sunday last the competition had to be suspended owing to lack of starters.

Many of the original members of the club have returned to the mainland and the club urgently needs new members if it is to carry on.

No previous experience in surf life saving is necessary to join the club as instruction with the view of obtaining the Surf Life Saving Association of Australia's Bronze Medallion will be arranged for all new members.

For full details of the club contact Sgt D.W. Hall, 55/53 Bn or 11 Bde Amenities.

SOCCER

31/51 BN v 37/52 BN

In this game played on 6 Mar 31/51 Bn again brought home the bacon by a good win over the 37/52 Bn. So far 31/51 Bn has won every Soccer match in the competition, including a win and a draw against the Chinese.

FINAL SCORE 31/51 Bn 3 goals defeated 37/52 Bn Nil.

.....

31/51 BN v 26 BN

31/51 Bn maintained its run of successes by narrowly defeating 26 Bn team. There was keen interest in the game as the 26 Bn had recently scored a victory over the Chinese team, and were hoping to outdo the opponents again.

The game was even throughout with the 31/51 Bn men pressing hard towards the end of the game. There was no score until ten minutes before the final whistle when 31/51 Bn scored a goal, nicely kicked by Ryan the centre forward.

FINAL SCORE 31/51 Bn 1 goal defeated 26 Bn Nil

31/51 BN TABLOID SPORTS

This event proved a great success. A total of 13 teams graced the grounds to compete in the 13 events. Team No 12 of C Coy gained first place, scoring 97 points. Second and third places went to B and D Coy who scored 95 and 95 points respectively. The Bn HQ gained the maximum for discipline.

BASKETBALL

BDE SIGS v 31/51 BN

The Bde Sigs again proved their worth by downing the Bn team. However it is anticipated that the Bn will become a force to contend with with a little more training.

FINAL SCORE Bde Sigs 56 points defeated 31/51 Bn 34 points

VOLLEY BALL

31/51 BN OFFICERS v BN HQ 31/51 BN

The Bn Officers team, all ex members of the Nauru Volley Ball Association (affiliated with the world wide organisation) graced the Bn HQ court on Tuesday 5 Mar to be badly beaten about the head by the Bn HQ team.

Lt. (De Valera) Doylin as skipper of the officers team tried in vain to create some order into his side but the chilling atmosphere of the early afternoon weather had a bad effect on the players. Had the team heeded his advice such as watching their position play and finding holes in the other side's defence, things may have been different.

LAST SUNDAY'S LEAGUE GAMES

The surprise of the day in "A" Grade was the defeat of 31/51 Bn by 22 Bn. Up to date 31/51 Bn have been playing good football but on Sunday they just couldn't finish off their movements. In many ways they were unlucky to lose but football is a funny game and the better team often loses. Congratulations to 22 Bn on their victory.

.....

Div Sigs continued their unbeaten run at the expense of 37/52 Bn. 37/52 Bn are a much improved side and should be hard to toss in the future. They fully extended the Sigs and will no doubt give 22 Bn a headache next Sunday afternoon.

LAST SUNDAY'S LEAGUE GAMES (CONTD)

In the late game at 11 Bde Oval 29/46 Bn outclassed 55/53 Bn in every department of the game. 29/46 handled well and in the first wet weather football for some time continued to sling the pill around instead of resorting to the more usual forwards' game in the mud. Laffan, 5/8 for 29/46 Bn played a grand game until he was injured. The selectors for the interstate game would be well advised to keep their eyes on this lad. Power, full back for 29/46 Bn, gave the best display by a full back to date in this competition. His handling both in the wet and the dry was faultless and his nice tackling and hard running were a delight to watch.

.....

A feature of the game between 26 Bn and 12 Army Troops was the hard running and tackling by both sides. Up till half time 12 Army troops looked as though they would hold 26 Bn but their condition gave out in the second half and 26 Bn took control of the game to go on to win by a comfortable margin.

.....

At a meeting of the Association last night it was decided to play two Possibles v Probables games on Wednesday 20 Mar as a guide for the state selectors.

On Sunday 31 Mar two interstate games between N.S.W. and QLD. will be played. Final details will be announced later.

.....

On Sunday next the two leading teams in the "B" Grade, 18 A.O.D. and R.A.E. clash. It should be a grand game as both these teams have won all their games to date decisively.

In the "A" Grade, Div Sigs and 26 Bn should provide some good football and so also should 31/51 Bn and 29/46 Bn.

The Comd discussed Educational Classes, stating that compulsory trg in that respect was not desireable.

Full details of instructions then given by the Comd are confirmed by the attached memo.

Lt Col CAMERON spoke of some equipment and material shortages existing in the Crafts section of his unit Education and enumerated items required. Comd 11 Inf Bde directed that Bde HQ instruct Lt O'BRIEN 242 LAD to look into the electrical situation at the 26 Inf Bn Education Centre and lend assistance; also that the following additional equipment be obtained :-

500 ft PVC wire
11 tables and forms
1 Insulated Screwdriver

Comd expressed the hope that 26 Bn Crafts section would be functioning smoothly by 21 Mar.

Capt WEBB notified Comd that Capt GREY was co-operating with units with regard to training of Signal personnel.

4. **EMPLOYMENT OF JAPANESE AT COMPOUNDS**

Comd instructed that the practice of employing Japanese personnel as batmen to our troops at Compounds will cease.

As Japs are reported to be used for such duties at other Compounds, this question will be taken up with higher authority.

6. **GENERAL**

The Comd announced that HQ 11 Div is due to become redundanton 25 Mar; and that the rate of evacuation of Japanese from RABAUL would probably increase in the near future to some 22,000 each 5 weeks.

The Bde to remain at RABAUL will comprise four Bns.

EDITORIAL

Congratulations are extended to both 31/51 Bn and 55/53 Bn on their grand effort at having reached the semi-finals of the Aust. Rules Association. Both figured in sensational matches last Sunday when firstly 55/53 Bn defeated Div Sigs for the first time this season - admittedly 11 Div Sigs were weakened by the return of some players to the mainland, but nevertheless the meritorious victory by 55/53 Bn was due to teamwork, determination and physical fitness.

31/51 Bn participated in "the match of the season" when they played inspiring football to draw with 37 /52 Bn after being down four goals at half time.

We again extend to both teams the best of the best and hope to see them in the grand final on Sunday 31 Mar.

31/51 BN v 37/52 BN

This was one of the most exciting matches yet played on the island, reaching fever pitch in the last quarter when both teams finished up with an even score.

Highlight of the game was the superb playing of Harman, the 31/51 Bn skipper. He was a delight to watch steering his team through difficulties and was by far the best man on the ground.

AUSTRALIAN RULES (CONTD)

In the first quarter the play was slow on both sides, the humid atmosphere sapping energy out of players and spectators alike. 31/51 Bn scored a goal a few minutes after play commenced with a nice kick by A.Mitchell, the centre half forward. Then another Mitchell, initials R.G., scored another goal giving the 31/51 BN a reassuring lead. 37/52 Bn opened its score with a goal quickly followed by 2 points. A.Mitchell scored another goal for 31/51 Bn before the first quarter bell.

1st Quarter Score 31/51 Bn 3.1 37/52 Bn 1.2

The second quarter was a fiasco. 31/51 team seemed paralysed and unable to stem the tide of the opposition who simply ran away with the quarter. 37/52 scored 6 goals in rapid succession, giving them a very comfortable lead. The 37/52 Bn skipper was the best player in this quarter.

Half Time Score 37/52 Bn 7.3 31/51 Bn 3.2

31/51 Bn emerged on the field for the third quarter in fighting mood an d taking advantage of the slight wind kept the game down near its goal posts and made good the dangerous leeway. They kicked 4 goals in this quarter. Angove had bad luck in hitting the goal post after a beautiful long kick. Hoare, the 31/51 centre and Angove played great football with helpful support from the consistent Harman.

3rd Quarter Score 31/51 Bn 7.5 37/52 Bn 7.4

The final quarter proved to be the most exciting of the game. Despite the disadvantage of a hostile breeze 31/51 Bn dominated the game, Harman being the hero of the match. 37/52 team fought bravely but could not resist the stronger finishing 31/51 team.

FINAL SCORE 31/51 Bn 10.10 drew with 37/52 Bn 11.4

.....

55/53 BN v DIV SIGS

This game resulted in a triumph for 55/53 Bn and places them in a good position to win the premiership.

Div Sigs were weakened by the loss of some regular players, but the standard of co-operative football turned on by 55/53 Bn left little doubt they could have defeated Sigs best on this particular day.

The Bn's small brigade led by O'Connell frustrated the Sig's defence, and this was really the deciding factor.

FINAL SCORE 55/53 Bn 10.9 defeated Div Sigs 7.11

LAST SUNDAY'S GAMES

26 BN v DIV SIGS

A crowd of about 800 witnessed the first games on 26 Bn Oval on Sunday last. This oval is undoubtably the best in Rabaul and most likely is the best ever constructed in the islands.

RUGBY LEAGUE (CONTD)

In the curtain raiser 26 Bn 5 narrowly defeated 8 M.D.Sigs 2. The late game was the long awaited clash between Div Sigs and 26 Bn, the only two unbeaten teams in the competition.

After a clean, hard fought and exciting game Sigs emerged the victors by one point.

26 Bn won the toss and elected to run against the slight wind. Play opened at a very fast pace with 26 going into the attack - 26 pressed hard for some minutes but a nice kick by Cassin relieved the situation. Play then see sawed and Sigs should have scored but but for hanging on to the ball. A penalty to 26 relieved the pressure but Sigs attacked again and after a lot of battling on the line Larder scored. Flower failed to convert.

From the drop out 26 went into the attack but a forward pass on Sig's 25 spoilt a nice movement. 26 continued to press Sigs but a goal line drop out relieved the pressure. 26 continued to attack but Cassin, by intercepting a pass, saved a nasty situation and put Sigs on the attack with a nice kick. From a penalty about 30 yards out Flower of Sigs failed to raise the flags. Just before half time Pritchard of 26 Bn made a very nice run but was tackled before he could pass the ball. Scrums in the first half were 6 all and penalties 2 all. Half Time Score was Div Sigs 5 26 Bn Nil.

At the commencement of the second half the breeze had freshened and 26 Bn tried to use it but always kicked to a man. Sigs went into the attack but a penalty eased the situation. Cassin gathered the ball from the penalty and made about 40 yards before he was dragged down. Sigs continued the attack and although McDonald, the hooker, was giving 26 a feast of the ball, bad passing prevented the back line from moving. O'Dea, 5/8 for 26 Bn, had injured his hand and no doubt that accounted for the bad passes. Sigs continued to attack and were finally rewarded by a nice try in the corner by Taylor. Flower failed to convert. 26 Bn then fought back and looked like scoring but McCowan of Sigs intercepted and was awarded a penalty for being tackled without the ball. The kick took play to half way but 26 went into the attack again and were almost in. With only 5 minutes to go and a leeway of 6 points to make up 26 kept the crowd at fever pitch by their frantic assaults on the Sig's line and eventually were rewarded with a try. Pritchard converted with a beautiful kick. With 2 minutes to go and 1 point behind 26 attacked from the kick off but the final bell rang just as O'Dea was pulled down after a lovely cut through. Scrums in the second half were 9 to 3 in favour of 26 Bn and penalties 4 to 3 in favour of Sigs.

Both sets of backs played great football and no individual could be singled out but Arnold of Sigs played the best game among the forwards. Congratulations to both teams on a fine game.

FINAL SCORE Div Sigs 6 defeated 26 Bn 5

.....

In the late game at 11 Bde Oval 29/46 Bn, who are right at their top at present, defeated 31/51 Bn, who seem to be off their game at the moment. 29/46's win places them second to Div Sigs on the premiership ladder.

.....

55/53 Bn down 8 to nil at half time in their match with 12 Army Troops gave the spectators plenty of thrills at Div Oval as they battled to make up the leeway however they just couldn't make it and went down fighting by 8 to 6.

.....

R.A.E. and 18 A.C.D., the two leading teams in "B" Grade met at 11 Bde Oval but the game was not very inspiring. Highlight of the match was when Dimon of 18 A.C.D. made a 75 yard dash down the line to score near the posts.

. . . . . .

In a fast and furious game 31/51 Bn defeated the previously undefeated 4 Bde HQ team. 31/51 Bn owed their win to splendid co-operation among the forwards, the lack of which in Bde HQ team caused their downfall.

. . . . . .

The game between 29/46 Bn and 37/52 Bn was fairly dull but brilliant in patches. 29/46 quickly ran up 3 goals but after that neither team seemed to be able to make headway. Both left wingers, Ponting for 29/46 Bn and Scott for 37/52 Bn, played brilliantly.

INFANTRY CRICKET ASSOCIATION

In the third round of above Association's competition a very close and exciting finish was witnessed on Monday when 31/51 Bn team narrowly defeated 31/52 Bn by one run.

With the score at 6 for 105, 37/52 appeared to have the match won but 31/51 fought on and a particularly fine piece of bowling by Low Mow, the 31/51 Bn slow bowler had the batsmen in trouble and he quickly took 3 wickets off 3 consecutive overs for 1 run. He was ably supported by left hand medium bowler Murphy who kept the runs down and took the first of the last four wickets.

Temple 22 not out was top scorer for 31/51 and Gilmore with 5 for 32 off 11 overs was the best bowler for 37/52 Bn.

Gilmore also starred for 37/52 on the batting side, scoring a very nice 47. For 31/51 Bn Low Mow took 6 for 27 and saved the day for 31/51 Bn

NOTES ON COs CONFERENCE - FRIDAY 22 MAR 46

Matters of a confidential nature were discussed and included the manner in which officer release priority would now be determined. Tropical service as well as points may be factor to be considered. Such particulars for each Inf Bde officer will be compiled.

NCOs will be deferred 4 months but depending on future ~~current~~ circumstances, their earlier release may be permitted.

The release of men under 125 points will be determined on the basis of tropical service. It is eventually intended that 26 Bn be kept up to WE with volunteers and low priority personnel while 55/53 Bn hold high priority personnel, and 31/51 Bn be comprised of personnel with intermedicate priority.

CONFIRMATORY NOTES

COs CONFERENCE HELD HQ 11 INF BDE - 27 MAR 46

Present : Comd Brig R.F. MONAGHAN
CO 26 Inf Bn - Lt Col WEBSTER
CO 31/51 Inf Bn - Maj HASSELL
CO 55/53 Inf Bn - Lt Col McDONALD
BM - Capt WEBB
SC - Capt MAXWELL

1. JAPANESE LABOUR CAMPS AND COMPOUNDS

The relief and take over of the above camps and compounds was the main subject of the conference.

Details of instructions issued by Comd are attached hereto.

In addition the Comd stated that the necessary recce of new areas of responsibility was to be completed by respective COs by 1200K 28 Mar.

Transport used when reliefs take place will be so co-ordinated that trucks conveying the relieving tps will, on the return journey, carry the sub-unit relieved.

The Exchange and/or take over of accommodation stores etc, when reliefs take place, to be mutually arranged by COs responsible.

It was stressed that as 11 Inf Bde's new security responsibilities would bring guards more into the "public eye" a high standard of bearing and discipline must be maintained and that the respective unit Orderly Officers inspect all guards at least twice each day.

Comd mentioned that the Engineer stores position was not good - the mainland supply schedule being 6 weeks behind.

2. OFFICER POSITION - RELEASES AND PRIORITIES

Comd promulgated the following matters:

(a) 30 officers may soon be posted to RABAUL area, and 8 MD may produce an "Officers Relief List" for all officers within RABAUL area.

(b) The present Battalions' holding of officers is considered the workable minimum.

(c) 8 MD agrees with the Bde policy of posting to 26 Bn those officers and OR electing to serve on and low priority personnel.

(d) A list will be compiled by units listing all ranks who have had NO battle experience. This will assist in determining some release priorities. The compilation to reach HQ 11 Inf Bde by 1200K 29 Mar.

3. GENERAL

A race meeting will be held in RABAUL at Easter.

REPORT ON EDUCATIONAL ACTIVITIES: MARCH 1946

DADAE,
HQ 8 MD

PART II - GENERAL

CLASSES

The Bde Education Scheme commenced on 4 Mar 46. Enrolment figures are shown in Appendix "A". Students attend classes two mornings each week.

ACCOMMODATION

Units have provided excellent accommodation for Education Centres and class rooms. A new Education Centre building has also been opened at Bde HQ.

Present buildings are adequate for all education activities in the Bde.

FILMS

Screenings have been restricted owing to the difficulty in obtaining a jeep equipped with electric generator. A special jeep for this purpose has now been obtained by Bde HQ, and is being fitted with generator.

LIBRARIES

During the month, 18 additional Box Circulating Libraries were allotted to this Bde, bringing the total to 52 boxes.

PERSONNEL

COs have greatly assisted education work by releasing personnel from other duties to act as class instructors, and as clerks or librarians in Education Centres.

GENERAL

Units have readily implemented the policy of Comd 11 Inf Bde by providing accommodation, equipment and staff for education work. Class facilities are now well-established. The main problem remaining is th e maintenance of class attendance on a voluntary basis.

There is, however, scope for improvement in the general education activities for which AAES personnel are responsible. During April efforts will be made to increase lectures, films and music programmes. Reference library facilities will also be extended.

1. EDUCATION

Comd announced that he was not quite satisfied that personnel who do NOT attend Educational Classes were being fully employed.

CO s were directed to give this matter their personal attention, and as there may be some difficulty in finding employment for all such personnel, Infantry training will be carried out by those surplus to numbers required for camp duties.

Comd decided that where Education classes have a small attendance, such as Poultry and Tinsmithing Classes, the respective units' students be amalgamated in accordance with a scheme to be brought forward by 11 Inf Bde Education Officer. This would enable the instructors of small classes to complete their weekly tutoring in say two days instead of six. Students for such subjects may therefore devote their extra education time to private study.

2. COMPOUND AND LABOUR CAMP RELIEFS

COs stated that NO major problems have arisen during the change over and all reliefs will be completed today 1 Apr 46.

The following have already been completed :-

No 2 Labour Camp
No 4 Labour Camp
Cd on Jap Oil Tanker

3. RECREATIONAL SEA TRIPS (DUKE OF YORK ISLAND)

COs agreed that such excursions were much appreciated by troops, and were desirous that such outings on the 11 Inf Bde launch continue.

Comd invited suggestions re arrangements for troops to have a stay on DUKE OF YORK ISLAND, and agreed with Lt Col WEBSTER's proposal that a Rest Camp be established there.

Staff Capt to arrange with Water Tpt to convey approx 60 personnel thrice weekly to the Island, where a Rest Camp will be established.

4. RATIONING

Comd mentioned that application has been made to 8 MD requesting the appointment of a BASCO to this formation. Arrangements were also made for a senior ASC officer to visit units today (1 Apr) to review the present rationing position, which is NOT wholly satisfactory.

Lt Col WEBSTER stated that surplus unwanted rations (Ranpberry juice, Beans etc) are being held in units, and such items continue to be supplied b y ASC.

5. STAGING PERSONNEL

Comd stated the earlier advice re the arrival of staging personnel is being requested

6. GENERAL

For the Rabaul Race Meeting to be held 20 Apr, each unit wishes to race 3 horses, Bde HQ 1 horse, and the Bde to ballot for the Rabaul Cup.

RABAUL BOXING ASSOCIATION

The Rabaul Stadium opened in a blaze of glory last Thursday night. Considering the comparative short time the boxers have had to train, the standard of boxing was good and every bout was marked with vemon and the will to win.

The second series of bouts were conducted at Rabaul Stadium last night.

Some excellent fights were witnessed by the huge crowd and two in particular, those between Smith and Filliponi and Black and Morris so thrilled the spectators that they showered the ring with coins.

RABAUL RUGBY LEAGUE FOOTBALL ASSOCIATION

The interstate Rugby games were played on Sunday last at 26 Bn Oval. The dull weather and beautiful green grass of the oval provided the best possible conditions for football in the islands and the crowd of about 5000 were treated to some good football during the afternoon.

In the early game N.S.W. 8 defeated QLD 2. The highlight of the match was the N.S.W. winger's 75 yard dash along the side line to score in the corner.

Now to the main match.

The Brig. C. MacGen Morris kicked off. From the following scrum QLD won the ball and went into the attack but N.S.W. quickly took play to the QLD goal line. A penalty for a scrum infringement relieved for QLD. Play then seesawed with both teams making good moves but solid defence stopped any scoring. From a penalty well out on QLD 25 Pritchard just missed with a beautiful kick. Play was all in QLD's half for a while but QLD forced the play to the N.S.W. line where from a penalty Erickson raised the flags to give QLD a 2-Nil lead. Shortly afterwards Davis (Q) broke away but a beautiful tackle by Cassin dragged him down. Half time saw the score QLD 2 N.S.W. Nil.

N.S.W. attacked from the beginning of the second half. Pritchard made a nice run and McDonald cut through beautifully to score. Pritckard failed to convert.

Spectators were at fever pitch as with the score at 3-2 in favour of N.S.W. QLD went into the attack from the kick off. About 5 minutes after the resumption QLD Winger Lade was injured and was eventually forced to leave the field. Despite the loss of a man QLD continued to get a feast of the ball, McKellop, the hooker, winning seven scrums out of nine in the second half.

Gathering from a wild pass by QLD, Johnston made a beautiful opening which was capped with McDonald scoring between the posts. Cassin converted giving N.S.W. a lead of 8-2.

At this stage N.S.W. were definitely on top and Davis soon added another 3 points to the N.S.W. score. Cassin again converted.

With the score at 13-2 and 4 minutes left for play N.S.W. did not let up and Pritchard made a beautiful dash down the side line to outpace the opposition and score in the corner. Cassin failed to convert. With one minute to go N.S.W. attacked again and were nearly in again as the final bell rang.

A feature of the game was the excellent combination of Johnston and Nethery. The pair were always dangerous and started many moves. Pritchard's hard running was a delight to watch. Both full backs, Cassin and Gwyder played well while Arnold, McKellop and Erickson battled on to the finish for QLD.

FINAL SCORE N.S.W. 16 defeated QLD 2

SOCIAL GAME

55/53 BN v 26 BN

In a grand game full of thrills and spills, fast moves and good passing 55/53 Bn defeated 26 Bn 13 - 5.

The game started off fast and open but good hard tackling by both teams averted good moves from being carried out fully however after about five minutes of play Wade cut through nicely and passed to Steedman who ran hard and passed to Houston who scored well out. From a difficult kick Herbert raised the flags.

From the kick off the game see sawed with good moves on both sides but tackling was deadly and the score remained the same at half time.

As play commenced again in the second half Willoughby, Wade, Herbert and Ryan were seen in some brilliant moves and Ryan soon dashed over but was recalled for a forward pass.

RUGBY LEAGUE (CONTD)

Winning the ball from the scrum 26 Bn cleared the way with a beautiful line kick to half way. 55/53 won the ball from this scrum and Willoughby cut in beautifully and passed to Wade who weaved his way through to scorecbringing the score to 8-Nil.

As 26 kicked off again they attacked strongly and with a nice line kick gained a scrum five yards from the line where they scored. Failing to convert the score was 8-3.

55/53 kicked off and attacked again and got within an ace of scoring a few times but were forced out of bounds. Good accurate line kicking continually got 26 Bn out of trouble but 55/53 again scored this time between the posts. Potts converted bring the score to 13-3.

26 Bn kicked off again and received a penalty kick which was successful bringing their score to 5 as the game ended. Lt Gregory very capably refereed the game.

FINAL SCORE 55/53 BN 13 defeated 26 BN 5

RABAUL AUSTRALIAN RULES FOOTBALL ASSOCIATION

GRAND FINAL

55/53 BN v DIV SIGS

A large crowd assembled last Sunday at 11 Bde Oval to see the Grand Final of the island Aust Rules competition. Although not as spectacular as the memorable final in which 55/53 Bn downed Sigs, the game produced some really brilliant, though spasmodic, flashes of football.

Sigs were weakened by the absence of four of their regular players but it is doubtful whether their inclusion would have altered the result.

FIRST QUARTER: The first five minutes produced ragged football as both teams warmed to the job. Milgate was first to score for Sigs with a snap that hit the post. Sigs combined well in several forward moves but 55/53 Bn's defenders held them. The Bn had many opportunities but faulty passing on the forward line spoilt their play. Finally Parson marked nicely and passed to Farrell who made no mistake. Soon afterwards Rhoden snapped a point but Sigs retaliated with a goal from Milgate. Despite some hard play by Farrell and O'Connell the Bn team was still unsettled on the forward line and failed to make the most of several chances. Both teams worked hard for the lead for the rest of the quarter and the scores at the change read 55/53 Bn 1 goal 3 behinds Div Sigs 1 goal 2 behinds

SECOND QUARTER: Farrell and O'Connell started forward moves early but still the forwards failed. Both teams attacked time and again with little result. Due mainly to one of Purdon's brilliant dashes, O'Connell broke the ice with a grand snap for goal from an acute angle.

(CONTD ON NEXT PAGE)

AUSTRALIAN WAR MEMORIAL AWM2020.71.8556

AUSTRALIAN RULES (CONTD)

Sigs replied with a goal by Milgate and followed it up with several smart attacks. 55/53's defence was too strong with Nolan, Woods and Fernell playing excellent football. Play again swung to 55/53's forward line where Farrell and Grose combined well for a goal. Shortly afterwards Ashton marked nicely and helped Joe Farrell add another goal. The Bn team now had the advantage and were playing all over Sigs. The half time score of 55/53 Bn 4.6 to Sigs 2.3 do not give a true indication of the Bn's supremacy in this quarter.

THIRD QUARTER: Sigs opened well and Milgate soon scored two points. Nolan's magnificent kicking off was a feature of the game at this stage. Mention must be made of Milgate who battled hard for his team in this quarter. After some scrambling play Brooker marked and passed nicely to Grose who goaled easily. Light rain started to fall as both teams threw everything they had into the game. Play became very rugged as the Bn attacked repeatedly. Sigs defended desparately and forced 55/53 on the defensive. Nolan brought off a superb match over the pack and passed to the speedy Headland. He in turn passed to Grose who again scored full points. Sigs attacked and scored a point and followed it with a goal. It was their last dash for the quarter. Playing inspired football, the Bn team swarmed all over their opponents completely demoralising them. O'Connell started the attacks with the mark of the day as he leapt high over a pack of big men. His neat pass to Ashton was forwarded to Grose and a goal resulted. Sigs defenders battled gamely but nothing could stop 55/53. O'Connell and Grose again combined well for a goal. Farrell, always in the thick of it, helped Brooker to another. Edwards also scored a few minutes later and the Sigs defences crumbled. 55/53 was still attacking as the bell went with the scores 55/53 Bn 10.8 Sigs 5.7

FINAL QUARTER: Sigs opened with a desparate rush and scored a goal and a point in the first few minutes. Although the game was in their keeping 55/53 drove on relentlessly. Parsons and Stewart were prominent in initiating several moves and were well supported by the Headland brothers and Purdon. Play deteriorated at this stage as Sigs belatedly started to use their weight. Defenders on both sides were hard pressed, most promising for Sigs being Bonnet and for 55/53 Nolan, Martin and Woods. After many minutes of fruitless battling Farrell scored a point. The play was mostly on 55/53's forward line now as a result of the thrilling dashes of Purdon and Farrell. Ashton and Parsons were mainly responsible for the next score-a point. Sigs still fought hard but the task was too great for them. All interest had now gone from the game and the final bell went with 55/53 Bn premiers of Rabaul.

FINAL SCORE 55/55 BN 10.11 defeated Div Sigs 4.11

Roy Fountain gave a really good exhibition of umpiring. In an attempt to make the game fast he allowed plenty of latitude and there should be more of that type of umpiring.

11 INF BDE AMENITIES LETTER 38 - 10 Apr 46

EDITORIAL

The new season of the Rabaul Australian Rules Association will commence on Sunday 14 Apr. Fourteen teams will be participating, the new teams being 12 Adv Workshops and Water Transport. Competition matches will be played twice weekly.

It seems certain that in a week or so there will be many changes in teams but it is up to all Bn teams to keep the premiership pennant in 11 Bde.

Athletic Carnivals are to be conducted by all Bns next week. On Wednesday 24 Apr the Bde Athletic Carnival will be held, so all competitors are requested to keep in training for this meeting.

RABAUL AUSTRALIAN RULES FOOTBALL ASSOCIATION

VICTORIA v THE REST

A crowd of about 3000 saw The Rest defeat Victoria 10.15 - 7.12 on 11 Div Oval last Sunday. The Rest owe their win to superior team work and passing, particularly on the forward line. The outstanding player of the day was Paddy O'Connell whose brilliant football left no doubt as to who is Rabaul's best and fairest player.

At the half time interval the G.O.C. 8 M.D. Maj Gen Morris made presentations to Paddy O'Connell (best and fairest player in the competition recently concluded) Milgate Div Sigs (the leading goal kicker) 55/53 Bn team (Premiers) and 11 Div Sigs (Runners Up).

FIRST QUARTER: The Rest were first to show up and capped some nice position play with a goal by Spencer. Vic backs were hard pressed as The Rest attacked again. Westhead saved well but O'Connell dashed through a few minutes later for a point. McKenzie and Westhead battled hard in defence and a free to O'Connor took the ball to the Vic forward line for the first time after ten minutes play. Ash and Farrell tried hard for Vic but faulty teamwork forward spoiled Vic's chances. Finally Milgate playing a lone hand snapped a point. Almost immediately Reicheldt scored another but the Rest saved the situation and again drove forward. Nolan saved well but Vic were being beaten badly across the centre. Time and again The Rest centre line drove forward. Harris and Nolan turned several attacks until Treasure finally marked in front for an easy goal. The Rest attacked from the bounce but Kemp turned them away. Vic drove forward and this time the elusive Milgate goaled. Good work by Headland for The Rest resulted in another goal just before the bell. SCORES The Rest 3.3 Vic 1.3

SECOND QUARTER: Vic attacked and Farrell passed to Milgate for a point. The Rest retaliated and forced play forward. Harris shone for Vic with a series of excellent saves on the back line. Harman started another forward move but Heinrack was too solid in defence. Vic were still loosing badly across the centre line. O'Connell with characteristic dash scored a point for The Rest which was followed shortly after by a goal.

AUSTRALIAN RULES (CONTD)

As the ball was bounced O'Connell took possession and cleared right away from the opposition for another goal. The next few minutes The Rest completely overshadowed Vic to score two more goals in quick succession. Play became very rugged at this stage. Westhead and McKenzie were prominent for Vic and helped Joe Farrell score an easy goal. O'Connor and Smith came into the picture for Vic but their splendid efforts were wasted by poor work forward. Headland and Anderson saved on two occasions for The Rest and drove the ball forward. Vic turned the attack and Milgate and Farrell were battling hard as the ball went with the scores The Rest 7.6 Vic 2.6. Up to this stage The Rest had earned their lead because of their ability to combine on the forward line.

THIRD QUARTER: Vic opened well and within a few minutes Farrell scored a point. Ash and O'Connor initiated another forward move for a point to Victoria. The Rest came again but were turned by Kemp. O'Connor playing brilliant football drove the ball forward for Vic but incredibly bad kicking wasted many opportunities. Finally Milgate marked splendidly and just missed a goal. Passing and handballing well, The Rest snapped a point. At this stage Grey drove the ball to Vic's forward line where Milgate again marked and this time raised both flags. Smith, Vic's winger, hit top form and after a series of thrilling duels passed to Milgate for a point. Heimrack and Smith drove forward again but Pitcher marked well to save for The Rest. After a lively battle on the wing Smith again sent the ball forward where Joe Farrell snapped a fine goal. Harman fought back for the Rest and a point resulted. Vic playing much better football at this stage combined well to give Milgate an easy goal. Just before the bell O'Connell dashed away from the pack and only a fine piece of work by Kemp saved the situation for Vic. Scores The Rest 7.9 Vic 5.10

FINAL QUARTER: Vic attacked smartly. Farrell scored a point. Westhead and Grey put the pressure on and forwarded. McHugh marked but his kick went astray. The Rest broke away and Spencer snapped a point. Once again O'Connell paralysed his opponents and dashed away for a goal. Vic lead by McKenzie fought back desperately and helped McHugh to a goal. On the bounce Ash came through nicely and forwarded again to McHugh for another goal. With only a few points separating them both teams threw everything into the game and for the rest of the match produced grand football. The Rest sensing defeat battled hard to keep Vic out and finally O'Connell forwarded to Treasure for a goal. Milgate, a grand little trier, looked like scoring after the bounce but Kennedy saved for The Rest. Vic maintained their attack and McHugh managed a point. McKenzie and Smith were in the thick of it and kept The Rest's defenders busy. Play see sawed at a bewildering speed as each team scored two points. Kemp, Harris and Nolan were solid in defence but could not stop O'Connell and Spencer from co-operating nicely for a goal. This score with only a few minutes left settled the issue. Vic fought on gamely but the leeway was too great.

FINAL SCORES The Rest 10.15 defeated Vic 7.12

Roy Fountain again showed how a game of football should be umpired and deserves credit for his handling of the game

LAST SUNDAY'S LEAGUE GAMES

With four more weeks to go in the "B" Grade Competition it looks like being a grand battle to see who makes the final four.

The final four for "A" Grade is now decided. Div Sigs who went through the competition with only one defeat are minor premiers with the right to challenge if they are defeated in the semi-finals or final. The other teams who will contest the semi-finals are 29/46 Bn, 26 Bn and 31/51 Bn.

The surprise of the day in "B" Grade was 22 Bn win over the previously undefeated Ord team. No doubt Ord are feeling the loss of their star player, Dixon, who has returned to the mainland.

12 Army Troops who were battling to make the final four went down to 29/46 Bn 3 - Nil. 29/46 Bn had a feast of the ball but poor handling kept the score down. The only time 12 Army Troops looked really dangerous was when Zebensheer made a beautiful intercept but a solid tackle by Power, full back for 29/46, dragged him down just short of the line.

Sigs, weakened by the loss of two of their regular forwards, just went under to 31/51 Bn. Nethery, who was the best player on the ground, was always dangerous and made many openings which could of resulted in scores but for faulty handling. Arnold was a tower of stronght among Sig's forwards and no doubt he is one of the best forwards on the island. Cassin played his usual solid game but Johnston was often caught in possession by the light but fast forwards of the Bn.

26 Bn dashed 37/52 Bn's hopes of making the final four by easily defeating them 16 - 2. 26 Bn owe their win to better team work. 37/52 won about 70% of the scrums but 26 forwards by breaking fast prevented the ball from getting out to the back line. 26 Bn will play Sigs in the semi-finals on Sunday next. It should be a grand game as when these two teams last met they turned on the best match seen to date on the island. Div Sigs defeated 26 Bn 6-5 in their last clash but there was very little between the teams.

EDITORIAL

The Bde Athletic Carnival has been postponed until Wednesday 1 May to enable 22 Bn and 29/46 Bn to participate. This extra time will allow more contestants to enter and reach top form.

With the addition of two Bns to the Bde the carnival should display a great number of the Island's best athletes and the 26 Bn Oval will be worthy of the occasion.

LAST SUNDAY'S GAMES

Both semi-finals were played at 26 Bn Oval which was in tip top condition. Unfortunately the weather was far too hot for football but nevertheless the teams put all they had into the games and provided good entertainment for the 1500 spectators.

In the first semi-final 31/51 Bn had little difficulty in defeating the sadly depleted 29/46 Bn team. Despite the fact that 29/46 Bn were leading 2-nil at half time the play in the first half left little doubt as to who would run out the winners.

Div Sigs lined up for the second semi-final without Larder and Cassin while 26 Bn were without the services of McDonald and Lade.

At half time 26 Bn were leading 3-nil but shortly after the interval they went away to a comfortable lead of 13-3. With four minutes left for play 26 Bn eased off and Sigs quickly took advantage of this to score 8 points.

(Contd on next page)

RUGBY LEAGUE (CONTD)

Both sets of forwards played spasmodic football due to the terrific heat. Arnold was the star of the forwards. His 50 yard dash through the 26 Bn defenders was a gem and it was little wonder that he was so disgusted when he ran over the dead ball line. 26 Bn backs were always on top of the opposition although they did not let up in the final few minutes and allowed Sigs to run at will.

The final of the "A" Grade will be played next Sunday afternoon at 26 Bn Oval commencing at 1515 hrs. The finalists are 26 Bn and 31/51 Bn. Both teams are fast, well balanced and prefer the open game so it should be a grand match.

The winners of the Final will play the Minor premiers, Div Sigs, in the Grand Final the following Sunday.

Here are the "B" Grade fixtures for Sunday which will be played on Sunday morning to allow all Rugby followers to go along to 26 Bn Oval in the afternoon to watch the "A" Grade Final:

55/53 BN ATHLETIC CARNIVAL

The 55/53 Bn Athletic Carnival was held on Tuesday 16 Apr and proved a great success. All events were keenly contested with the result that that many exciting tussles were witnessed. The outstanding events of the day were: (1) 100 yards won by Latta in 10 secs (2) broad jump of 20 ft 6 ins by Paice (3) kicking the football won by George Nolan with a great kick of 68 yds (4) the 880 yards and mile in which George Purdon treated spectators to a fine display of effortless running. 31/51 BN ATHLETIC CARNIVAL

by 31/51's Roving Reporter

On Wednesday 16th the sun was bright for the 31/51 Bn Athletic Carnival. The total attendance for the afternoon was only 300, 120 of those being competitors. Where the rest of the Bn was remains a mystery - loud thumping sounds were heard from the tent lines.

The centre of the ground was in good condition was in good condition but the outside track was worn so slowing the times for the ¼ mile and distance events.

In the heats of the first event, the 100 yds sprint, the best time of the day was clocked - 10 2/5 secs by Lt Rigby of B Coy. The time for the second heat, 10 4/5 secs by Sillitoe of D Coy was faster than his 11 secs in the final.

Also were the times of the heats in the 220 Championship faster than Hickey's (B Coy) 27 secs. These times 26 2/5 and 26 4/5 secs were good for a slow track and a slight head wind.

Hoare of C Coy leading for the entire lap took the ¼ mile in 60 1/5.

The 880 was a walk over for Cpl Dulhunty of HQ Coy. This middle distance runner was a delight to watch, possessing a style that would put a thoroughbred colt to shame. The other competitors left the mark but were hopelessly outpaced by the runner who won by 130 yds in 2 mins 31 secs. Cpl Neilson of A Coy was second. The third runner disappeared after the first lap but turned up 100 yds from the tape, slightly ahead of Cpl Dulhunty in the last lap. Although he had a head's lead at the tape he failed to gain the decision.

The kicking the football event brought a bevy of Aust Rules players and although McNamara's world record of 92 yds 2 ins was not beaten, South Australian Pte Angove of C Coy kicked his hardest to reach 53 ½ yds.

Cricketer Cpl Wilson of A Coy held his reputation with his winning throw of 263 ft 10 ins. Other Coys beware.

31/51 BN ATHLETIC CARNIVAL (CONTD)

The artillery's pride, 12 pound cannon ball, was heaved 68 ft by Simons of C Coy in the shot putt. This is not recommended as an early morning exercise.

Und r hand work in the 440 yds relay. A scheme was afoot to tank the relay runners with cordial before the race but hasty action averted the crisis. Cordially or not, C Coy took the event in 46 sec, Sillitoe repeating his previous form by finishing hard.

The mile championship started with a big field of 13 competitors. They were bunched for the first lap but opened out in the second. There was an offsider in the race. Running 200 yds either ahead or behind the field he was overtaken at the post by the winner Wilson of HQ Coy, who galloped through the tape in five minutes 59 secs.

The last runner exorted by the announcer, completed the four laps although he finished 2 minutes behind the winner.

Barrow of HQ Coy flew through the air to reach 17 feet 4 ins in the broad jump.

Giltrap gave C Coy another win with his 5 ft 1 in in the high jump. s'A Coy staggered over the tape in the 880 relay to beat HQ Coy also staggering with B Coy a bad third. But B Coy replied with 37 ft 1 in for the hop step and jump by Barrow.

The three legs of Volke and Taylor clocked 7 secs in the Siamese race to the credit of C Coy. The rest of the field finished in more or less a straight line.

There were as many recruits for the woodchop as there are for the Interim Army. Although the axes were not recommended five timber men hacked through 9 inches of hardwood.

Giltrap of C Coy chopped his way to victory in 1 min 18 secs. Clarke of HQ Coy lost his axehead at one stage and had to change axes, but he succeeded in gaining second place.

C Coy won the tug of war two out of three pulls in the final. The victors and runners up, HQ Coy, then retired for liquid refreshments.

At the conclusion of the meeting, Brig R.F. MONAGHAN presented the prizes to the winners. Financially, for the competitors, the afternoon was a success.

C Coy total of 143 points beating B Coy with 28 who narrowly defeated HQ Coy with 27, A Coy was fourth with 12 and D Coy also ran with 3.

Barrow of C Coy was the most successful athlete. He won the hop step and jump, broad jump and second heat of the 220 yds. He got second in the 220 final and a third in the high jump.
