WAR DIARY 1 NOVEMBER 1944.

MEDICAL REPORT

GENERAL HEALTH OF TROOPS — During November the health of the troops was not as good as previously, probably as a result of feeling generally "unsettled". A number of chronic complaints were unearthed because of this. A number of cases of skin diseases and dysenteries added to the sick parades.

PREVAILING DISEASES — During November, the Battalion was very cramped for several days aboard the L.S.Is. This was followed by an epidemic of U.R.T.I. which swept through the non-immune Battalion. Swimming caused many cases of Tropical ear and prophylactic ear drops were instituted.

EVACUATION RATE — 42 during the month, representing 50 per 1000 per month.

METHOD OF EVACUATION — By M.A.C. from 2 AAMC Coy.

HYGIENE AND MALARIA PRECAUTIONS — In general, Coys relied too much on Battalion control of Hygiene and when this was withdrawn and hygiene dutymen cut down, the number of cases of dysentery rose sharply.

TRAINING. — Stretcher bearers were trained in decontaminating gas casualties and in general S.B. work.
A school for water dutymen was held - 3 men from each Coy. All candidates passed.

RMO 2/2 Aust Pnr Bn.

228. PERSONAL EQUIPMENT CARDS - AAFsF204 (In accordance with para 21 of GRO 369/44).

A. Personal equipment cards (AAFs F204) are being introduced as records of personal equipment on issue to all members of the AMF on full time duty and will be issued whether personal equipment is on issue to them or not.

B. Members will carry AAF F204 at all times, subject to the same conditions as if it were part of AAB 83. AAF F204 will be carried in the cover provided for AAB 83.

C. Members will be required to sign in the column provided on unit's "Statement of Clothing and Necessaries" or "Statement of Personal Equipment", respectively, for all issues of clothing or personal equipment made to them, except where issues are made in exchange for articles withdrawn, i.e. on a one for one basis. Before the member signs for the articles, he will ensure that the blank squares on the appropriate line of the statement are ruled through.

D. Whenever an article which has been entered in a member's AABs 83 or AAF F204 is withdrawn from him, and no article is being issued in replacement, it is the duty of the unit QM to issue and the duty of the member to obtain a receipt on AAF F25A for the article handed over. Members are required to keep these receipts and to produce them when called upon to do so.

E. Members will take reasonable care to prevent loss, destruction or undue wear of personal and unit equipment and clothing on issue to them. Failure to take such care will be regarded as an offence. Disciplinary action will be taken, in accordance with GRO A.727/43 , in all cases where loss, destruction or unfair wear of an article appears to be due to culpable neglect on the part of the member.

LIFE ASSURANCE POLICIES TAKEN OUT BY MEMBERS OF THE FORCES.

1. Life Assurance Policies taken out by members of the Forces on their own lives after September 1939, usually contain a war clause which imposes upon the member assured, if he wishes to remain covered under his policy for the full sum assured while serving outside the commonwealth, the obligation of :-

(A) Informing the life assurance office concerned of his departure from Australia and of the date thereof; and

(B) payment to that office of an extra war loading ~~sum~~ premium

2.

Certain life assurance offices regard the Territories of Papua and New Guinea as being, for this purpose, outside the Commonwealth, and there are variations in the rate of war loading premiums charged by different offices, while in some circumstances an office may be prepared to cover the additional risk and may, therefore, refuse to quote any extra premium. A member who desires to remain covered while outside the Commonwealth should assertain from the office concerned to what areas the existing cover extends and what rates of war loading premiums are required should he serve outside those areas.

3.

If the member subsequently embarks for service outside the Commonwealth he may arrange through army channels :-

(A) For payment of the amount of extra war loading premium (as previously assertained by him) to hte office concerned, by means of a remittance of undrawn pay ; and

(B) for notices of the date of embarkation to be given to that office by the DFO when paying the remittance.

The member will attach to the remittance form a letter requesting the giving of the notice mentioned in sub-para (B) of this paragraph.

4.

For security reasons, direct notification by members to life assurance offices of their impending or actual departure is strictly forbidden
