Need to Know

- Tickets commence from time of first activation and expire 2 to 365 days later or once maximum trips reached
- A separate account, mobile and eTravelPass is required per passenger. Internet access is required to activate each ticket
- Multiple tickets cannot be activated for the same journey on the same account
- Child ages 4-15yrs
- eTravelPass tickets are single ferry trips in any direction from where the passenger boards to disembarks at any of the included stops
- Only activate your ticket as directed by the Crew – either as you board the vessel or on board
- Tap and hold the circle to activate a ticket
- Activated tickets appear as a QR code and expire in 20 minutes
- Present your activated ticket to the deckhand on the vessel Tickets once expired cannot be re-activated
- If an expired ticket is presented or if the same QR code is presented multiple times an error message will be displayed and the passenger will be required to purchase ticket/s onboard
- Purchase your pass by credit card (surcharges apply) or PayPal
- Download the 'Captain Cook Cruises' app onto your phone now from the App Store or Google Play Store
