(b) While the delay fuze is burning, a considerable quantity of black smoke is emitted through the escape hole at the base of the fuze tube, and small fragments of the delay fuze are sometimes forced out. At night or even at dusk or dawn, a definite glow from this hole can be seen.

AUSTRALIAN WAR MEMORIAL AWM2022.5.9592

USE OF GRENADES HAND, JAPANESE, (CONTD)

2. The following precautions will be taken if the grenade is used. : --
(a) It will be thrown immediately after the head has been struck.
(b) When striking the grenade, the hand will be kept well clear of the escape hole at the side of the fuze tube.

7. DISCIPLINE Prevalance of theft of Military Stores or Supplies. vide GRO A734

Para.1 The offences of stealing and fraudulent misapplication of stores and supplies from Lilitary Depots, Installations, Transportation services, and even from fellow soldiers have increased to an extent which renders immediate and effective remedial action necessary.

Para.4. These considerations impose obligations of honour upon all members to do their utmost to prevent theft and to assist in every way in the bringing to justice of offenders.

Para.5 As a general rule, no suspension or remission is to be made in respect of any award or sentence imposed upon a member for any offence mentioned in this order.

8. RECORD OF SERVICE BOOK AAB 83.

It is not considered necessary for sweaters to be worn next to the skin as Cotton singlets are issued for use during the Summer.

13. SALUTING. Vide ARO 635/43.

Para. 1 Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possibly due in no small measure to a misunderstanding of the meaning of GRO A 198/42.

Para 2. The following instructions are issued in clarification of GRO A 198/42
(a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect every one of a group of soldiers must salute.

AUSTRALIAN WAR MEMORIAL AWM2022.5.9592

SALUTING (Contd.)

Para (a) Cotd.
The only exception to this rule is when the group is on a parade under the immediate control of a superior. This is equally applicable when a group of officers meets a superior Officer.

(b). The exception provided in GRO A 198/42, para. 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

Para.3 The necessity of saluting will be brought to the notice of all members of all Units continually. Slackness in saluting indicates a slackness in discipline and reflects discredit on the Unit concerned.

Para.4 Considerable improvement is expected not later than 22 Nov. 43 and disciplinary action will be taken for nonpcompliance.

USE OF GRENADES, HAND, JAPANESE, TYPE 91, vide GRO 724/43.

1. This grenade is in common use by the Japanese and quantities have been captured and used by our troops. Tests indicate that the grenade has certain characteristic which may lead to injury in the hands of inexperienced personnel.
These characteristics are : --
(a) The delay fuze, marker 4/5 seconds, has been know to burn in much less time. Some tested fuzes burned in 3 seconds.
(b) While the delay fuze is burning, a considerable quantity of black smoke is emitted through the escape hole at the base of the fuze tube, and small fragments of the delay fuze are sometimes forced out. At night or even at dusk or dawn, a definite glow from this hole can be seen.

AUSTRALIAN WAR MEMORIAL AWM2022.5.9592

USE OF GRENADES HAND, JAPANESE, (CONTD)

2. The following precautions will be taken if the grenade is used. : --
(a) It will be thrown immediately after the head has been struck.
(b) When striking the grenade, the hand will be kept well clear of the escape hole at the side of the fuze tube.

7. DISCIPLINE Prevalance of theft of Military Stores or Supplies. vide GRO A734

Para.1 The offences of stealing and fraudulent misapplication of stores and supplies from Lilitary Depots, Installations, Transportation services, and even from fellow soldiers have increased to an extent which renders immediate and effective remedial action necessary.

Para.4 These considerations impose obligations of honour upon all members to do their utmost to prevent theft and to assist in every way in the bringing to justice of offenders.

Para.5 As a general rule, no suspension or remission is to be made in respect of any award or sentence imposed upon a member for any offence mentioned in this order.

8. RECORD OF SERVICE BOOK AAB 83.

AAB 83 will be issued shortly to all personnel. The loss, destruction, or defacement by a wilful act, or by negligence, or, the unauthorised alteration of any information contained therein, is an offence in respect of which a charge will be under AA 40.

10. BOUNDS. SWITCHBOARD ROOM.

ARO 577/43 relative to Summer Dress is amended as under. : --
(a) Officers.
(i) Jacket and trousers and,
(ii) Shirt and trousers.
Delete all reference to "Hat" and substitute.
"Hat" (turned down) with chin strap or cap ". Beret may be worn if authorised, by certain personnel when on duty for which the head-dress is issued.
(iii) Shirts and shorts.
After the word "Hat" (turned down) with chin strap " add
No other head-dress will be worn.

12. SUMMER DRESS Vide ARO 624/43.

Attention of all Units is directed to ARO 577/43 para (h).
This order is to be strictly complied with and disciplinary action is to be taken against offenders.
It is not considered necessary for sweaters to be worn next to the skin as Cotton singlets are issued for use during the Summer.

13. SALUTING. Vide ARO 635/43.

Para. 1 Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possibly due in no small measure to a misunderstanding of the meaning of GRO A 198/42.

Para 2. The following instructions are issued in clarification of GRO A 198/42
(a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect every one of a group of soldiers must salute.

AUSTRALIAN WAR MEMORIAL AWM2022.5.9592

SALUTING (Contd.)

Para (a) Cotd.
The only exception to this rule is when the group is on a parade under the immediate control of a superior. This is equally applicable when a group of officers meets a superior Officer.

(b). The exception provided in GRO A 198/42, para. 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

Para.3 The necessity of saluting will be brought to the notice of all members of all Units continually. Slackness in saluting indicates a slackness in discipline and reflects discredit on the Unit concerned.

Para.4 Considerable improvement is expected not later than 22 Nov. 43 and disciplinary action will be taken for nonpcompliance.

AUSTRALIAN MILITARY FORCES.

ROUTINE ORDERS PART +.

by

Major Sorrell C R COMMANDING, 4 AUST ADV AIR DEPOT

No.50/43

Last Routine Order No.29/43 published on 26 November 43.

---

1. At expiration of all leave, personnel must report to Orderly Room immediately and surrender passes. Personnel returning to camp between the hours of 1715 & 0800 will deposit passes in letter box at Orderly Room and must report to Orderly NCO.

2. SALUTING.

1. Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possibly due in no small measure to a misunderstanding of the meaning of GRO.A192/42.

2. The following instuctions are issued in clarification of GRO A192/42.-

(a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect, every one of a group of soldiers must salute. The only exception to this rule is when the group is on parade under the immediate control of a superior. This is equally applicable when a group of officers meet a senior officer.

(b) The exception provided in GRO A192/42 para 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

3. The necessity for saluting will be brought to the notice of all members of all units continously. Slackness in saluting indicates a slackness in discipline and reflects discredit on the units concerned.

3. OBSCENE LANGUAGE

Unnecessary use of obscene language within the Camp Area now prevalent will not be tolerated. Attention is directed to AMR & O para 264 which prescribes that any member of the AMF, when on duty or in uniformusee :-

(a) blasphemous or obscene language; or
(b) speaks or acts indecently; or
(c) engages in immoral conversation -

shall be guilty of an offence and liable to penalties under A M R 215.

4. INTOXICATING LIQUOR IN ARMY VEHICLES.

Attention of all personnell is directed to STANDING ORDERS FOR DRIVERS OF ARMY VEHICLES, with regard to the following para,

"(a). Drivers and the personnel of convoys are forbidden whilst on duty, to enter any hotel, public house, or cafe except after permission has been obtained from the senior present, or for the purpose of obtaining meals at normal hours, when absent on duty from their normal place of subsistence.

(b). Drivers are forbidden to carry intoxicating liquors on their vehicles, unless such forms part of their loads, duly authorised by responsible officer.

Disciplinary action will be taken in respect of drivers who permit personnel of the Army or RAAF to ride in their vehicles whilst such persons are in possession of intoxicating liquor. Action will also be taken in respect of Army personnel found to be in possession of intoxicating liquor travelling on RAAF Vehicle.

5. TRAIN TRAVELLING - INTOXICATING LIQUOR Vide G.R.O. 789/43

1. No member of the forces, when in uniform, will carry, or cause to be carried, on any train on which he is travelling or about to travel, or have in his possession or control or consume whilst travelling in any train, any intoxicating liquor, unless it is consumed by him as part of a meal supplied in a dining car in the train in which he is travelling.

2. MBI A103/41 is cancelled.

6. AMMUNITION HELD BY UNITS. Vide ARO 678/43.

(a). Ammunition held by units must not be tampered with or dealt with by Offrs and ORs except as authorised in approved publications or Standing Orders affecting the care, storage or handling of ammunition.

7. EXCESSIVE SPEED MT VEHICLES Vide ARO 680/43

Attention is drawn to S Aust L of C Area Routine Order 214/43 and 259/43. Complaints are still beingreceived that Military Vehicles are travelling at excessive speeds. This matter is viewed seriously by the Commander who directs that severe disciplinary action will be taken by CO's against offenders reported to them through Army Channels.
In future all drivers detained by Civil Police will be charged in a Civil Court.

8. MILITARY CLOAK ROOM. - ADELAIDE RAILWAY STATION.

Reference S Aust L of C. Area Routine Order 489/43.

In future all Army Personnel will leave parcels, etc., in the Military Cloak Room and not in hthe Railway Cloak Room.

South Australian Railways have been notified.

9. PROMOTIONS AND APPOINTMENTS.

SX.26462, Sgt, GEERCKENS T. Promoted A/S/Sgt. on 12/10/43, Vide Routine Orderd Part II for 4 Aust Adv Amn Depot. No. 5/231/9250/43.

ROUTINE ORDERS PART +.

by

Major Sorrell C R COMMANDING, 4 AUST ADV AIR DEPOT

No.30/43

Last Routine Order No.29/43 published on 26 November 43.

---

1. At expiration of all leave, personnel must report to Orderly Room immediately and surrender passes. Personnel returning to camp between the hours of 1715 & 0800 will deposit passes in letter box at Orderly Room and must report to Orderly NCO.

2. SALUTING.

1. Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possibly due in no small measure to a misunderstanding of the meaning of GRO.A192/42.

2. The following instuctions are issued in clarification of GRO A192/42:-

(a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect, every one of a group of soldiers must salute. The only exception to this rule is when the group is on parade under the immediate control of a superior. This is equally applicable when a group of officers meet a senior officer.

(b) The exception provided in GRO A192/42 para 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

3. The necessity for saluting will be brought to the notice of all members of all units continously. Slackness in saluting indicates a slackness in discipline and reflects discredit on the units concerned.

3. OBSCENE LANGUAGE

Unnecessary use of obscene language within the Camp Area now prevalent will not be tolerated. Attention is directed to AMR & O para 884 which prescribes that any member of the AMF, when on duty or in uniform uses :-

(a) blasphemous or obscene language; or
(b) speaks or acts indecently; or
(c) engages in immoral conversation -

shall be guilty of an offence and liable to penalties under A M R 215.

4. INTOXICATING LIQUOR IN ARMY VEHICLES.

Attention of all personnell is directed to STANDING ORDERS FOR DRIVERS OF ARMY VEHICLES, with regard to the following para,

"(a). Drivers and the personnel of convoys are forbidden whilst on duty, to enter any hotel, public house, or cafe except after permission has been obtained from the senior present, or for the purpose of obtaining meals at normal hours, when absent on duty from their normal place of subsistence.

(b). Drivers are forbidden to carry intoxicating liquors on their vehicles, unless such forms part of their loads, duly authorised by responsible officer.

Disciplinary action will be taken in respect of drivers who permit personnel of the Army or RAAF to ride in their vehicles whilst such persons are in possession of intoxicating liquor. Action will also be taken in respect of Army personnel found to be in possession of intoxicating liquor travelling on RAAF Vehicle.

5. TRAIN TRAVELLING - INTOXICATING LIQUOR Vide G.R.O. 789/43

1. No member of the forces, when in uniform, will carry, or cause to be carried, on any train on which he is travelling or about to travel, or have in his possession or control or consume whilst travelling in any train, any intoxicating liquor, unless it is consumed by him as part of a meal supplied in a dining car in the train in which he is travelling.

2. MBI A103/41 is cancelled.

6. AMMUNITION HELD BY UNITS. Vide ARO 678/43.

(a). Ammunition held by units must not be tampered with or dealt with by Offrs and ORs except as authorised in approved publications or Standing Orders affecting the care, storage or handling of ammunition.

7. EXCESSIVE SPEED MT VEHICLES Vide ARO 680/43

Attention is drawn to S Aust L of C Area Routine Order 214/43 and 259/43. Complaints are still beingreceived that Military Vehicles are travelling at excessive speeds. In future all drivers detained by Civil Police will be charged in a Civil Court.

AUSTRALIAN MILITARY FORCES.

ROUTINE ORDERS PART I.

by

Capt. L.E.ASH, COMMANDING 4 AUST ADV AMN DEPOT,

S.AUST.L. OF C.AREA.

1. LEAVE.

In future night leave will be granted to a limited number of personnel until 2359 hrs. on Thursdays, Saturdays and Sundays.

Applications for such leave will be considered closed at 0900 hrs on these days.

2. SALUTING. vide S Aust L of C Area Routine Order No.635/43.

1. Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possibly due in no small measure to a misunderstanding of the meaning of GRO A198/42.

2. The following instructions are issued in clarification of GRO A198/42:-

(a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect, every one of a group of soldiers must Salute. The only exception to this rule is when the group is on parade under the immediate control of a superior. This is equally applicable when a group of officers meets a senior officer.

(b) The exception provided in GRO A198/42 para 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

3. The necessity for saluting will be brought to the notice of all members of all units continuously. Slackness in saluting indicates a slackness in discipline and reflects discredit on the units concerned. Discipline is just as essential in administrative or maintenance Units as it is in combat Units.

3. AMMUNITION. Vide S Aust L of C Area Routine Order 673/43.

Ammunition held by units must not be tampered with or dealt with by Offrs and ORs except as authorised in approved publications or Standing Orders affecting the care, storage or handling of ammunition.

4. CHEER - UP SOCIETY INC.

S Aust L of C Area HQ Memo No.49470 directs that all FTD

AUSTRALIAN WAR MEMORIAL AWM2022.5.9592

personnel who are on subsistence, that free meals should not be partaken of at the Cheer --Up Hut or any other institution or organisation which functions essentially for troops on leave from the fighting fronts and those who are away from their homes and located and quartered in camps.

FTD personnel on subsistence who may insist on disobeying this instruction will be taken off subsistence and quartered under Army supervision.

5. LEAVE WITHOUT PAY. Vide GRO A822/43.

1. Cases are still occurring in which members, who have been granted leave without pay, afterwards claim that they were not aware of the full effect of the grant of such leave.

2. In order to reduce the possibility of misunderstandings to a minimum, Para's 105 and 106 of GRO A598/43 are republished;

"105. Attention is directed to the provisions of War Financial (Military Forces) Regulations, which provide, in effect, that all pay (including allotments) and pay allowance cease in respect of any period for which a member is granted leave (or an extension thereof) without pay.

106. When leave (or an extension thereof) without pay is granted, the following will not be payable during the period of such leave (or extension) :-

(a) pay (including deferred pay);
(b) field allowance;
(c) command allowance;
(d) special allowance;
(e) exchange allowance;
(f) dependants allowance;
(g) travelling allowance;
(h) subsistence allowance;
(i) any allowance payable under regulation 9 of the above-mentioned regulations.

6. CORRECT USE OF LIGHTS WHEN APPROACHING ONCOMING TRAFFIC. Vide GRO 824/43.

1. Accidents involving army vehicles have occurred due to lack of road courtesy of drivers who fail to dim their head - lamps when approaching oncoming traffic.

2. In order that personnel in control of vehicles may apprec - iate their responsibility in this regard, the action to be taken is set out hereunder:-

(a) When approaching oncoming traffic, the driver of a vehicle will ensure that his headlights are dipped and will keep as near as practicable, having regard to all the circumstances, to the left hand edge of the roadway.

(b) If the headlights cannot be dipped, they will be dimmed. If they cannot be dipped or dimmed, the driver will switch to his parking lights. In either case, he will reduce the speed of the vehicle so that he can stop within his lessened limits of vision.

3. The driver is responsible for checking the correct operation of all lights and for reporting immediately (on AAF G17) all defects which he is not permitted to rectify.

AUSTRALIAN WAR MEMORIAL AWM2022.5.9592

7. ESCAPES OF AUSTRALIAN PRISONERS OF WAR FROM ENEMY HANDS. Vide GRO G834/43.

1. It is the duty of any soldier, if captured by the enemy, to effect his escape at the earliest possible moment.

2. It is also his duty - any breach of which is a seious offence not to communicate to unauthorised persons any information about the means employed employed by him or his companions to escape from enemy hands.

3. The disclosure of such information :-
(a) prejudices the chances of other escapees;
(b) prevents other members of Australian or Allied forces from using the same or similar means of escape;
(c) endangers the lives of those who may have assisted the escapees at any stage of their escape;
therefore, except as provided in paras.4 and 5 below, an escaped prisoner of war is forbidden to disclose particulars of his escape directly or indirectly to any person whatever, either by word of mouth or in writing.

4. an escaped prisoner of war will disclose full particulars of his escape only to officers authorized by the Director of Military Intelligence to interrogate such an escapee. No officers, except those authorised by the DMI, are permitted to interrogate any escapee on the circumstances of his escape.

5. Should it be considered desirable for an escaped prisoner of war to lecture on his experiences, the script of the proposed lecture will be submitted to the DMI for approval. No lecture will be arranged until approval of the DMI has been obtained.

6. GRO G192/43 is cancelled.

8. APPOINTMENTS , PROMOTIONS, & CONFIRMATION OF RANK.

S114024 Pte (G3) DONKERSLEY H. Appointed L/Cpl. 19/11/43, vide Routine Order Part II (CR) No.8/557/Ref.9883/43)

9. ENFORCEMENT OF PENALTIES IMPOSED BY CIVIL COURTS FOR OFFENCES AGAINST COMMONWEALTH LAWS. Vide S Aust L of C Area Routine Order No.4/44.

1. Whenever a member of the forces has a penalty imposed on him by the Civil Authoritys for a breach of any C/wealth Law immediate action will be taken by the Civil Authorities to recover the penalty in the same way as if the soldier were a civilian. COs will afford every assistance to the Civil Authorities in regard thereto.

32. TYPEWRITER MECHANICS.

Applications are invited from personnel who are typewriter mechanics. Applications to be submitted immediately. Trade grouping 9/6 per day.

33. LEAVE PASSES & PAY BOOKS. INSPECTION BY MEMBER OF PROVOST CORPS; vide Area Routine Order (SA) No.68/44.

Personnel on leave, when requested by members of the Provost Corps, must hand over their passes for inspection. After inspection and notation the pass will be returned to the holder.
Similarly paybooks will be produced and handed to the provosts for inspection when required.

34. AMMUNITION HELD BY UNITS (CR 7/1/91) vide SA L of C Area Routine Order No.678/43.

(a) Ammunition held by Units must not be tampered with or dealt with by Offrs and ORs except as authorised in approved publications or Standing Orders affecting the care, storage or handling of ammunition.

35. SALUTING. vide SA L of C Area Routine Order No 635/43.

1. Increasing slackness in saluting by all ranks is becoming more & more noticeable. This is possibly due in no small measure to a misunderstanding of the meaning of GRO A198/42.

2. The following instructions are issued in clarification of GRO A198/42:-

(a) It has been frequently noticed that only the senior of a group of officers or soldiers salutes an officer or group of officers. This is incorrect, every one of a group of soldiers must salute. The only exception to this rule is when the group is on parade under the immediate control of a superior. This is equally applicable when a group of officers meets a Senior Officer.

(b) The exception provided in GRO A198/42 para 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

3. The necessity for saluting will be brought to the notice of all members of all Units continuously. Slackness in saluting indicates a slackness in discipline and reflects discredit on the Units concerned. Discipline is just as essential in administrative or maintenance Units as it is in combatant Units.

36. OUT OF BOUNDS- SIGNAL OFFICE.

In future personnel will only enter Signal Office when called to do so by operator. Whilst waiting for calls members will remain on the outside. Severe disciplinary action will be taken against members who do not comply with this order.

The only exception to this rule is when the group is on parade under the immediate control of a superior. This is equally applicable when a group of officers meets a Senior Officer.

(b) The exception provided in GRO A198/42 para 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

3. The necessity for saluting will be brought to the notice of all members of all Units continuously. Slackness in saluting indicates a slackness in discipline and reflects discredit on the Units concerned. Discipline is just as essential in administrative or maintenance Units as it is in combatant Units.

36. OUT OF BOUNDS- SIGNAL OFFICE.

In future personnel will only enter Signal Office when called to do so by operator. Whilst waiting for calls members will remain on the outside. Severe disciplinary action will be taken against members who do not comply with this order.
