WAR DIARY - 7 MD FIXED DEFENCES-AUGUST.

1. During the visit of their Royal Highnessess the Duke and Duchess of Gloucester to Darwin 16-19 August '46 a Guard of Honour was provided on 16 and 19 August, an Artillery Salute of 21 guns was fired on 19 Aug and a house guard mounted from 16-19 Aug incl.

2. Blast walls surrounding guns, magazines etc at Emery Point have been removed. Removal of blast walls at East Point is proceeding.

3. Commander's monthly inspection of Waugite West, Emery, Elliott, and East Bty Areas. A reconnaissance of West in Waugite was carried out in view of the projected move of equipment for the West side to the East for Storage.

   An inspection of the road for the North South Rd to Waugite disclosed that it was no longer servicable and any equipment brought out must be shipped across the harbour.

4. Representatives of G Branch, Q Branch and Signals 7 M.D. also inspected the position in view of the projected moves.

79. WAR GRATUITY

1. The War Gratuity Act 1945 provides that war gratuity will cease to be credited to a member in respect of service rendered subsequent to the date 12 months after the cessation of hostilities. September 2nd 1945, has been proclaimed as the date on which, for the purpose of the War Gratuity Act, hostilities shall be deemed to have ceased.

2. To enable war gratuity to be calculated, it is necessary for each member to complete an application form (form [illegible]). Application forms are obtainable from, and after [illegible] shall be returned to, the pay representative. The representatives will be responsible for collecting the completed [illegible] and forwarding them to the War Gratuity Officer of the State in which members were appointed or enlisted.

80. ENLISTMENTS FOR TWO YEAR PERIOD.

(a) A number of cases are arising where members recently enlisted are now desiring discharge for reasons such as impatience in not proceeding to JAPAN as early as expected, civil employment now offering etc.
(b) Such members engaged of their own free will realise the implications thereof. Service was for AUSTRALIA with service in JAPAN, if required providing the soldier was agreeable.
(c) The Army therefore is under no obligation to discharge the member before completion of his service if he is still required.
(d) The object of voluntary recruiting was to free at the earliest, those members being held against their wishes or those completing service in JAPAN.
(e) Discharge of two year results will be strictly controlled and approval for discharge will only be given in exceptional circumstances.

81. DESIGN OF AUSTRALIAN POSTAGE STAMPS

1. It has been decided by the Postmaster General Depot to invite designs for Australian postage stamps, with the object of securing designs which will serve, to advertise Australia in overseas countries.

2. Entries are open to residents of Australia and members of the Australian Military Forces in the Pacific area and Japan and should be forwarded to reach the Director General, Post and Telegraphs, Treasury Gardens, Melbourne [illegible] Australia, by 1 Oct '46.

3. Conditions of entry may be obtained from HQ 7 [illegible].

82. REPAIRING OF SPORTS EQUIPMENT.

All units will forward to Amenities HQ by 22 Aug '46, any tennis racquets requiring re-stringing.

Each raquets will be clearly labelled with the [illegible] of unit and Formation.

COMPETITION FOR A DESIGN OF THE REVERSE OF THE WAR MEDAL 1939-45.

86. 1. Designs for the reverse of the War Medal 1939-45 are invited from artists who are British subjects. Provided that one of these is adopted, a prize of £100 will be paid for the winning design, this fee to cover any additional work of the artist on modifications agreed with him and all rights in the design.

2. The scope of the medal is set out in the extract below. The medal will be of the diameter usual in service medals, viz. 1.48 inches. The observe will bear an existing effigy of the King and the usual inscription of His Majesty's name and titles. For the reverse, for design of which this competition is held, the artist may adopt such subject or symbol as appear to him most appropriate; the treatment should preferably include an inscription, either 1939-1945, or the War of 1939-1945.

3. Designs must be submitted in the form of plaster or similar models, preferably 6 to 8 inches in diameter, suitable for the production of a master die by machine reduction. The modelling is required to be low relief, suitable for striking in a coining press in the finished Medal. It should be approximately that of a crown piece of the Imperial coinage. A suitable degree of relief in an 8 inch plaster is 1/10 inch.

4. The models should not bear the name or initials of the artist, each should be marked on the back with an identifying symbol and should be accompanied by an envelope containing that mark and the name and address of the artist. Models should be addressed to the Deputy Master of the Mint, Tower Hill, London, EC 3 and must reach the Royal Mint not later than 31st December '45. Each will be acknowledged on receipt.

5. The Models will be adjudicated upon in the first instance by the Royal Mint Advisory Committee on the Design of Seals, Coins, Medals and Decorations.

6. Unsuccessful models will be returned to competitors at their risk as as soon as possible after the final decision has been taken.

Extract from White Paper (Cmd 6833)

87. THE WAR MEDAL 1939-45. is to be granted to full time personnel of the

(a) Armed Forces wherever their service during the war has been rendered. A 28 day qualification will be adopted. Operational and non-operational service will qualify. In the Merchant Navy it will be a requirement that the 28 days should have been served at sea.

(b) Service between 3 September 1939 and 2nd September 1945 inclusive will qualify wherever rendered.

(c) The War Medal will be granted in addition to the Campaign Stars and the Defence, Medal, if earned.

88. ENLISTMENT IN PERMANENT MILITARY FORCES.

It is anticipated that approval will shortly be given for enlistment in the PMF.

Only service personnel and ex-servicemen will be eligible to apply

3. Designs must be submitted in the form of plaster or similar models, preferably 6 to 8 inches in diameter, suitable for the production of a master die by machine reduction. The Modelling is required to be low relief, suitable for striking in a coining press in the finished Medal, It should be approximately that of a crown piece of the Imperial coinage. A suitable degree of relief in an 8 inch plaster is 1/10 inch.

4. The models should not bear the name or initials of the artist, each should be marked on the back with an identifying symbol and should be accompanied by an envelope containing that mark and the name and address of the artist. Models should be addressed to the Deputy Master of the Mint, Tower Hill, London, EC 3 and must reach the Royal Mint not later than 31st December '40. Each will be acknowledged on receipt.

5. The Models will be adjudicated upon in the first instance by the Royal Mint Advisory Committee on the Design of Seals, Coins, Medals and Decorations.

6. Unsuccessful models will be returned to competitors at their risk as as soon as possible after the final decision has been taken.

Extract from White Paper (Cmd 6833)

87. THE WAR MEDAL 1939-45. is to be granted to full time personnel of the

(a) Armed Forces wherever their service during the war has been rendered. A 28 day qualification will be adopted. Operational and non-operational service will qualify. In the Merchant Navy it will be a requirement that the 28 days should have been served at sea.

(b) Service between 3 September 1939 and 2nd September 1945 inclusive will qualify wherever rendered.

(c) The War Medal will be granted in addition to the Campaign Stars and the Defence, Medal, if earned.

88. ENLISTMENT IN PERMANENT MILITARY FORCES.

It is anticipated that approval will shortly be given for enlistment in the PMF.

Only service personnel and ex-servicemen will be eligible to apply

---

Pending further advice names of applicants will be recorded and applications are to be submitted when called for.

(FSR Vol 1, Chap XXI, Sec 195, para 2.)

2. In order to prevent a member from drawing pay while AWL or in possession of an irregular leave pass or by presentation of a forged pay book or by impersonation of another member, an officer will, before paying a member or before authorising him to draw pay at a cash office, satisfy himself of the member's identy and of his entitlment to draw pay, make such inquiries as he considers necessary and by inspecting such documentary evidence as may be available, such as Record of Service Book (AAB 23), photograph and specimen signature in pay book, identy disc, or movement order.

3. GRO F.367/1944 is cancelled.

95. INCOME TAX

MR 57/1946 is amended by cutting para 5 and inserting in its stead the following paragraph:-

"6. Payments by the Commonwealth of a member's contribution to the Commonwealth Superannuation Fund are not, for taxation purposes, considered part of the member's income. Consequently, a member will not include such payments as income nor claim a concessional rebate in respect thereof. The position now promulgated operates as from the date on which the Commonwealth assumed liability for a member's superannuation contributions. Member who have included such contributions as come should forward for the year 1945/46, and, so far as earlier returns are concerned, should advise the Deputy Commissioner of Taxation concerned of the position and request an amended assessment."

96. WAR GRATUITY.

Approval has been granted for the continuance of eligibility for War Gratuity to be extended to 30 Jan '47 or date of discharge, whichever is the earlier.

97. IMPROPER USE OF MT

(a) Attention of all ranks is called to the use of MT in this command recently. This included using vehicles without authority, driving in excess of speed limits and lack of maintenance of vehicles by personnel responsible for them. This has resulted in an unduly high proportion of MT becoming unserviceable and must be regarding as interfering with the efficiency of this Command.

(b) This order is issued in accordance with AMR&O 558 (3) and will act as a warning that future offences of this nature will be regarded in a serious light and that punishment to be awarded will be assessed in view of this warning having been given.

(c) This notice will be repeated in the next Routine Orders of all units in 7th Military District.

98. PROHIBITED AREA FOR MT.

Vehicles will NOT proceed within a distance of 20 yds of either of two wireless masts, located between Block 5 and HQ 7 MD Transport Lines, Lamrakeyah Barracks.

99. TRAVELLING AND MEAL ALLOWANCE.

Only in exceptional cases will Travelling and Meal Allowance claims be submitted for movement whilst travelling in Civil or Service Aircraft.

100. NT SERVICES CHIEFS TROPHY.

The competition was won by 7 MD Fixed Defences, with RAAF second and 8 AOD third.

Points scored in the competition are as follows:-

7 MD Fixed Defences	76 Points.
RAAF	75 "
8 AOD	59 "
HMAS "Kangaroo."	53 "
HQ 7 MD	35 "
7 MD Area Wksps	16 "
15 CRE	6 "

101. LEGAL AID BUREAU.

Mr WH Johnson, of the Crown Solicitors Office, is acting as an officer of the Legal Aid Bureau for Northern Territory and legal aid is available to members of the AMF without charge.

Address is Mendis Building (Police Station) Darwin and telephone number is Civil 151.

102. MILITARY ROADS ORDINANCE NO 2 OF 1942.

Attention is drawn to the provisions of the Military Roads Ordinance No 2 of 1942, which provides heavy penalties for speeding overloading of motor vehicles on the Stuart Highway.

To prevent excessive wear on the bitumen surface the provisions of the Ordinance are being strictly enforced by the Civil Police.

Any breach of this Ordinance is a civil offence.

WAR DIARY - 7 MD FIXED DEFENCES - OCTOBER 1946

1. Equipment Radar CA No 1 Mk 4 lowered from East Point Tower and reassembled for shipment to AHQ School of Arty by 18 Oct '46.

2. In the absence of other means of transport, transfering of smaller items of six inch and 6 pdr. equipments from Waugite and West Point utilizing 40 ft. work boat was commenced 20 Oct '46 and is proving satisfactory.

3. Comd strength reduced to eighty seven all ranks by Oct '46. Detach - ment of personnel as guards and working parties to other units and areas is proving a serious handicap in finalizing dead storage, concentrating and returning stores and dismantling Waugite and West Point.

4. East Point area was inspected by Comd 7 MD, 25 Oct '46.

5. AEME personnel reported, ex Eastern Comd for placement of equipment in dead storage, 31 Oct '46.

109. INCIDENCE AND PREVENTION OF VEHICLES ACCIDENTS

1. Officers concerned are responsible that existing regulations and instructions are enforced and will therefore ensure:-

   (a) that each driver receives adequate instructions in the civil traffic regulations applicable in the area in which the unit is operating before he is detailed for driving duty in this area.

   (b) that before any driver is detailed to drive in an area where heavy road traffic can reasonably be anticipated, he has had adequate training for driving under such conditions, including experience under supervision.

   (c) that the closest surveillance is maintained at all times on the conduct of all drivers of motor transport, on speed and on the general manner in which vehicles are used, and that disciplinary action is taken against a driver exceeding the speed limit or driving in a dangerous manner or whilst under the influence of liquor

   (d) that all accidents, even if of a minor nature, are reported in accordance with para 13 of "Standing Orders for Drivers of Mechanical Vehicles - 1945". Officers commanding workshops and light aid detachments will ensure that, when repairs is necessitated through unfair wear, damage or lack of unit maintenance in any way, a report is submitted in accordance with [illegible] 207/19[illegible].

2. From the date of issue of this instruction, offences against orders for the use and maintenance of mechanical vehicles will be considered "unusually prevalent" and will be treated as such by formation commanders, commanding officers and courts-martial (vide [illegible] & C [illegible] (3)).

[illegible] Maintenance of Vehicles [illegible]

1. [illegible] of vehicles [illegible] in [illegible] Home Districts have revealed [illegible] the number of accidents [illegible] to the roads [illegible] from a blood, [illegible] of motor accidents involving army vehicles [illegible] serious [illegible] the civil [illegible] alone this.

2. [illegible] inspections also reveal that although [illegible] of defects [illegible] seem warranted, minor accidents, in the opinion [illegible] a time [illegible] of [illegible] hours for repairs, have not been reported. In addition it is known that, in some cases, disciplinary action has not been taken where accidents have occurred as the result of [illegible] driving or speeding.

3. This high accident rate, combined with the general shortage of personnel, has placed a great strain on repair facilities [illegible] is hardly possible to keep essential vehicles on the road.

4. It is known that comprehensive instructions exist in all formations and units to govern the use and maintenance of vehicles. It can only be assumed that responsible [illegible] are not [illegible], especially the [illegible] carrying out of these instructions.

5. It is the duty of every officer to report breaches of road discipline and careless driving irrespective of the formation or unit to which the vehicle or driver belongs.

6. Attention is directed to the [illegible] of ACI 51/1946 concerning "Caution Based on Relief".

7. Officers concerned are responsible that existing regulations and instructions are enforced and will therefore ensure-

   (a) that every driver receives adequate instruction in civil traffic regulations applicable in the area in which the unit is operating before he is detailed for driving duty in that area;

   (b) that before any driver is detailed to drive in an area where heavy road traffic can reasonably be anticipated, he has had adequate training for driving under such condition in traffic, experience under suitable supervision;

   (c) that the closest surveillance is maintained at all times on the conduct of all drivers of motor transport on speeds and on the general manner in which vehicles are used, and disciplinary action is taken against a driver exceeding the speed limit or driving in a dangerous manner or whilst under the influence of liquor.

   (d) that all accidents even if of a minor nature are reported in accordance with para 13 of "Standing Orders for Drivers" of "Mechanical Vehicles". Officers commanding workshops and light aid detachments will ensure that, when repair is necessitated through unfair wear, damage or lack of unit maintenance in any way a report is submitted in accordance with AFC 239/1945.

8. From the date of issue of this instruction offences against orders for the use and maintenance of mechanical vehicles will be considered "unusually prevalent" and will be treated as such by formation commanders, commanding officers and court martials (vide AFR A 0 55[illegible](3)).

9. Para 8 above will not be cancelled until AFC is satisfied that the vehicle accident figure is within reasonable bounds.
