HQ 1 Aust Corps

"A" Branch

1. Personnel

12-15 Nov incl - Visit of Major MacCALLUM, DAD Education (Publication LHQ. - visited this HQ and formations under comd to enquire into matters concerned with the AAES journal "SALT", and its distribution.

17 Nov - Education Officer HQ 6 Aust Div returned to duty from compassionate leave.

14 Nov - DI & WIC instructed that DAD Education await arrival of Major Drury before m/o on reposting.

2. Missing Boxes of Books (20)

File submitted to "A" for reference to "Q". At the request of "Q" further details of the consignment have been sought from DAD Educ HQ Qld and L of C Area.

3. Education Centre, Wongabel

(a) Centre moved to new hut on 14 Nov 44.

(b) Inspection of the hut on that day revealed that AAES staff there has taken trouble to make the best use of space available.

(c) Telephone has been installed and is much appreciated.

(d) They have gone ahead with educational activities without any real break in continuity.

4. Accommodation Stores.

(a) Information received from D of E (LHQ 134162 of 7 Nov 44) that a Scale of Equipment covering accommodation stores for AAES had been approved. (Scale No 192).

(b) Div and Bde EO's have been advised and provided with copy of the Scale.

5. (a) Normal educational activities continued as usual.

(b) The value of the work being done by WO Music, attached Supernumerary to WE, is worthy of comment.

A/WO1 JONES has been able to give personal and recorded recitals at HQ and in Corps Units during the past month. These have been very well received.

It is regretted that, since there is no WE for WO Music on this HQ, this activity will cease to a great extent with the cessation of his attachment, now imminent.

(c) Lectures and tours under the auspices of the ATHERTON Sub-Branch of the RSL maintain their interest and popularity.

They have evoked very favourable comment from all units visited.

Major,

ATHERTON WAR CEMETERY - RECONSTRUCTION OF -
BY 8 AUST WAR GRAVES UNIT

On 18 Sep 44, OC 8 Aust War Graves Unit, attached to 1 Aust Corps, inspected ATHERTON War Cemetery to ascertain extent of work required for re-construction. Unit photographer took photos of site to depict state of Cemetery prior to re-construction.

Unit signwriter was started on re-writing Cemetery signs and other members of unit were engaged on generally clearing site of weeds and paspalum grass. Arrangements made with HQ 1 Aust Corps when Engineer assistance was approved for the forming and grading of roadway, and grading and filling of site and casting and supply of concrete blocks to Memorial Centre. Unit making boning pegs and pegs for forming to roadway and paths, and boning site to ascertain desired falls.

On 23 Sep 44, OC conferred with an officer of 2 Fd Coy, when it was decided what would be carried out by that unit.

A start was made on 26 Sep 44 with three ton lorry and four members of this unit to draw earth filling to site, suitable earth was obtained at an approximate distance of seven miles from Cemetery, this work continued with transport as supplied by 2 Fd Coy until 4 Nov 44, when transport was obtained from 2/34 AGT Coy, when carting of filling continued until 8 Nov 44. The amount of filling required to fill site to desired levels approximated 158 yards. 2 Fd Coy constructed tabernacle and flag pole, and unit erected same, 18" x 18" X 3" flagstones were delivered and laid in position to Memorial Centre.

Roadway and paths were set out and hardwood boxing and labour for edgings of same were supplied by 2 Fd Coy, assisted by personnel of unit. Approximately 77 yards of ridge gravel was carted by 2 Fd Coy and spread on site by unit.

Design of proposed fence was submitted by OC this unit to 2 Fd Coy, who obtained and cut necessary timber and erected fence and constructed and hung two prs of entrance gates and pedestrian gate. Interior boundary fence was erected by this unit and consisted of 5 ft 6 in Star Steel pickets placed 9 ft apart complete with black plain wire, galv. wire was not procurable.

In process of re-grading cemetery, burial Sections had to be levelled off and re-graded. Crosses washed and lined up and consolidated.

That portion of Picnic Crossing Road fronting Cemetery was cleared and chipped either side of metal road, and 5 Aust Mechanical Equipment Coy is bulldozing high portion of ground abutting roadway. This portion so graded will be used as a parking area and also to divert storm water to drain on eastern side of Civil Cemetery.

Prior to re-construction of Cemetery it was the practice of Next of Kin and general public to place floral tributes in all shapes and sizes of glass containers, and place same on graves. To obviate this unsightly practice, there has been constructed and placed on each side of Memorial Centre and abutting concrete flag stone, a six foot concrete trough complete with galv. iron inner tray and steel grating. A notice suitably inscribed and placed opposite entrance gate requests bearers of floral tributes to place same in recepticales provided on Memorial Centre. Water for placing in these flower troughs is obtained from tank at shelter shed in Civil Cemetery.

OC this unit approached Officer of Local Forestry Dept in regard to suitable trees that could be planted in Cemetery and to ascertain if they could be supplied by the Forestry Dept. Mr.Greghorn, an Officer of the Dept, made inquiries at their several nurseries, but no trees or shrubs, could be obtained, that would be suitable to plant in plantation areas at the Cemetery. At Mr.Greghorn's suggestion the Curator of Cairns Municipal Nurseries was contacted and OC journeyed to Cairns and obtained two Palms, eight Dracenas, six Pines various, and Four Bouganvillias, to a total value of £4/13/6.

The Curator could not supply from existing stocks anything suitable to plant in plantation area adjacent to boundary fences. There has been planted temporarily in this area red Cedars as loaned by Forestry Dept, and which are planted in their tubes. DADWGS has been requested to forward for planting in this area 21 Golden Cypress Pines as recommended by Curator of Cairns Municipal Nurseries.

The planting of shrubs etc. already planted in cemetery was supervised by Mr. Greghorn. To assist unit in the work HQ 1 Aust Corps was requested to arrange for a working party of ten men who were supplied by 2/4 LAA Regt., and without exception comprised veterans of Middle East campaigns they were engaged, as from commencement of duty on 2 Nov 44, until their return to their unit on 13 Nov 44, on digging and levelling and clearing portion of Civil Cemetery, where it may be necessary to extend present War Cemetery, on Northern and Southern boundaries of War Cemetery. The problem confronting the personnel responsible for the maintenance of this Cemetery is one of water. The Atherton Shire reticulation, as at present constituted could not cope with any additional extension of mains which would necessitate an extension of one mile to serve Cemetery area. Wells, as existing in the vicinity, although sunk to a depth of approx 109 ft, could not cope with the demand. Water for the time being is carted by water wagon of 1 Aust Corps Reception Camp and emptied into a 200 gal tank at Cemetery. This proceedure is of a temporary nature only. Consequently the question of water for use at this Cemetery is one that could receive some attention. It is the intention of this unit to plant blue couch grass to sloping sides of Memorial Centre terminating at edge of path with Exhibition border.

If adequate water is made available it is suggested that burial sections be turfed and kept closely mowed.

Suitable signs, such as Cemetery sign, and signs depicting Pedestrian, and vehicular entrances, and notices as to parking areas have been erected.

Photographs of this War cemetery were taken and prepared by Unit Cpl Photographer, and plans drawn up by 2/1 Topo Svy Coy from particulars supplied by 8 Aust War Graves Unit.

It is desired to place on record the appreciation of the OC 8 Aust War Graves Unit of the assistance and co-operation given towards the re-construction and beautification of the Atherton War Cemetery of the following units of the AMF and Public and other bodies :
