---	---	--

Description: On Tuesday 15 February 2011, at approximately 0310 hours Christmas Island time Client s. 47F(1) approached CSDO Sandra Thornton and requested that he be returned to Phosphate Hill Bravo Compound where he resided. It was then discovered that he was not an authorised visitor at Phosphate Hill Camp Charlie. The client was then escorted back to his camp.

It is suspected that the client had scaled the low over fence of Camp Bravo and entered Camp Charlie to visit his family s. 47F(1) Thornton recalled that the family had said earlier that their brother was coming to visit.

Technically the client had attempted an escape. Duty Managers SERCO and DIAC was notified at 0350 and 0400 hours.

This report is submitted by CSM Tony de Mello.
