D/W 30/8/15.

There were four mates together in the charge on Aug 27 at Hill 60. They were all shot. Witness and Lynes were two of these. They lay together wounded in the first line of Turkish trenches : Lynes was shot through the stomach and was in terrible agony. He was taken away and placed on a hospital ship. Witness was sent away on a later ship. It was officially reported that Lynes had died of his wounds on the Hospital Ship.
