11th. Australian L.T.M.B. Malpas, Sergeant, F. W. 915.

D/W, December 11/1915. Date. D/B.

He was wounded by a premature explosion of his own Mortar; he was taken out but died on the way to the D/Station. He just out from Bulford Camp. I cannot say where he was buried.

D/W 11th December 1917. Det D/B.

We were out of the trench near La Bassee and were giving a demonstration of anti-aircraft fire with our guns. A premature burst took place, and Sergt Malpas was severely wounded in the body. I believe in the lungs. He was taken to a D/Station, and I understand died there. I am pretty sure that Sergt Baldock of the 11th L.T.M.B. could say exactly where he was buried.
