Died of wounds 11/8/16.

I knew Roach fairly well. He was wounded at Pozieres by the same shell that got me. It was just after we got in for the first time. I saw him next day in the Dressing Station. The Doctor said it was a very bad case. I was dressed just after him. He died that day.

Informant: Johnson, 45
No.4 Australian General Hospital,
RANDWICK.
