"Died of Wounds 10-6-18"

He was in 11th Pltn. C.Coy., and I saw him wounded when in reserves at Morlancourt. He was hit by a piece of shell in the buttock and piece travelled into stomach. He was taken to a dressing station at once near by, and was conscious when taken away. He was just about to have a shave at the time, then about 7 a.m. on I think, 8-6-18. He was my mate and I knew him well. I think he came from Mount Morgan, Queensland, and his father was a butcher. I cannot give any details of his burial, nor can I refer to anyone for further details.

"Died of Wounds 10-6-18"

I saw Pte Moller (26.C.XI or XII) wounded in the back by a shell, in June, while we were holding Reserves on the right of Corbie. He was walking along past a dugout when he was hit. He was conscious then. The two S/Bs who took him away were both killed afterwards. He was first taken to 26th. A.P. I heard he died of wounds.

"Died of Wounds 10-6-18"

I was in the same dug out with Pte Moller (26.C.XI Bombing Section) about June 10th. in the Villers Bretonneux Sector, while we were in Reserves. He was wounded internally by a shell. We did not know it was severe, and we all thought he would get home. He was conscious, and was carried away by S/B Hair (26.C.). A report came back afterwards that he had died. Only man of that name in Bttn.
