(M. March 3rd/17)

"It was read out in orders, that Warren and four others were taken prisoners, they went out with a gun and the Cpl was killed. I should think the other three marked March 3rd/17 on book list, must be the others, that were taken at the same time as Warren. I did not know them, but a friend of mine still in France could give more information. His address is Pte Brown, 1 Platoon, A. Coy, A.I.F. 5th Bn, B.E.F."
