"Missing 16.4.17"

These men were digging a new out-post, were raided by Fritz and were captured. I saw them being marched away. I trust you will soon get to know their addresses. I was with them at the time so the information is reliable, more I could say, but it has no bearing on the question.

Letter from:-

"Missing 16.4.17"

They were all on out-post duty with me at night about ¾ of a mile to the left of Cambrai Road, when we were overcome by German raiding party. I was bayonetted in the thigh and left lying. I saw these men being taken prisoner. We were all Platoon 2 of A.Coy.
