"Missing 25.7.16."

I knew Roy well, he was known to us as Stan. I know his people well in West Australia. He was killed by machine gun fire at Pozieres about 25th July 1916. I saw him lying dead inside the trench, he had been shot through the head. In appearance Stan Roy was dark, stoutly built about 5 feet 7 or 8½ in height. His next of kin is his mother who lives at Boulder City, West Australia. I do not know where Roy was buried.
