Wilson W.
351, Pte.

Known as "Willie", formerly in old C.Coy., and later A.Coy. He was wounded near the 2nd Light Horse Field Ambulance and was carried in a dying condition to them. The identity disc was so mutilated as to be illegible, but a man belonging to the Company who passed shortly afterwards identified the man as Wilson.
The Major of the Field Ambulance gave the information to Capt. Street, but Sergt. Montague was present when the information was told Capt. Street and also corroborated this report.

Dear Sir,

We have been told you can give us some information about 351 [illegible] Wilson, 1st Battalion A. I. F. who is reported as wounded and missing 6/8/15. In all the time that has elapsed we have been able to get very little news for his people and anything you can tell us will be of the greatest value to them.

Hoping you are really quite convalescent,

Yours truly,

V. D.

Secretary.
