11th Australian Imperial Force Beevers, W. 6331.

(W. April 16/17).

" I was with another man of my battalion whose name I cannot remember during the attack at Lagnicourt on April 16/17 when we passed the body of Beevers. There were just the two of us together and the other man who had been a mate of Beevers, had passed the body before and pointed it out to me when we came to it. It was early in the morning that I saw it, and he must -have been killed during the night or the day before when on patrol . I was with the other man from about 3 a.m. (when we attacked) until about 7 a.m. when we got separated and I don't know if he got away as I never saw him again. There were very few of us left. "

Eye Witness - As above.
