K. October 10 13/1917. Deth. D/KB.

I came over from Australia in the same boat as he did; I knew him well, tall, dark, between 25 & 30 years of age. We were at Ypres on October 12th. We went over the top & during the attack he was hit by a shell. He lay there a few hours before the S/Bearers managed to get him back & soon after died of wounds. Undoubtedly he was buried near at hand.
