Junior Officer Imperial Force (continued).

Recommended for the Military Cross.

4. Arthur Wilfred Burn, Lieut., Bde. Staff.

During the attack on the 31st September, 1918, this officer handled two troops with great skill during their passage through the barrage of the outskirts of Lille, where considerable opposition was met with. Later, by his cool and resolute conduct in leading a group of machine guns blocking his way, the troops in rear were able to push through with fewer casualties, thereby contributing greatly to the success of the attack.
