3. Recommendations will reach this office in triplicate by 4th SEPTEMBER.

4. Names of officers and other ranks who have recently left your command and whom you wish to include in this Despatch, should be forwarded to this office together with the name of the Unit in which they are now serving on or before 2nd SEPTEMBER.

5. Attention is called to the fact that certain officers and men recommended for Immediate Award were not considered to have performed acts of gallantry up to the standard required for the grant of Immediate Award. In some cases, instructions were issued for those names to be brought forward for inclusion in the next Despatch, which is the one now called for.

6. ~~Copy of M.S. 14200 of the 19th February 1918 referred to in the attached letter is forwarded herewith.~~

A definite number of recommendations will be allotted to each Division and the names should be recommended by the Divisional Commanders through the Corps Commander. The fact of a definite number of names being called for does not guarantee that each officer or other rank whose name is submitted will receive an Honour or Mention.

7. No officer or other rank whose name has been put forward for an Honour in the supplementary list recently called for, should be re-submitted.

7a. In previous despatches the proportion of officers to other ranks put forward has been unduly large, and it is considered that W.Os., N.C.Os., and men should be given a better share.
