

DOMINIC COLLEGE HALL OF ACHIEVEMENT

BUSINESS & COMMUNITY SERVICE

Elvio Brianese: Dominic College 1979 – 1983

Elvio Brianese has had a distinguished career in architecture and business and has served the community in many significant areas. With over 20 years experience in fine art, industry design and architecture, Elvio has been involved in the design of international, national and local projects in both the public and private sectors. His ability to articulate strong design and sustainable principles has resulted in multiple award-winning projects. As a director of an architectural firm, Elvio has contributed to the company winning in excess of 50 design awards. One such project being the Dominic College Chapel whereby he received seven awards. In addition to his architectural business work, Elvio has been both Secretary and President of the Italian Cultural and Welfare Association and has worked as a tutor and examiner for the University of Tasmania School of Architecture and Planning.
