WAR RECORDS SECTION

9th Bn.	Lieut. Thomas William Cameron	Lieut. Cameron is the Battalion Transport Officer. He has had 2½ years service with this Bn. which has been continuous except for a period of four months due to a severe wound sustained by this Officer during the Gallipoli operations. He has proved himself a most reliable and trustworthy Officer and has done excellent work with the Unit. This Officer also distinguished himself during the POZIERES operations when doing duty as a C.Q.M.S. Not previously recommended or rewarded.
"	" Frank Page	Lieut. Page who is Adjutant of the Battalion has continually done excellent work for the progress of the Unit. His keenness and activity have been of immense value to the Battalion both in the line and when in training. He has had continuous service with the Battalion since 26th August 1914 except for a period of two months due to sickness. Prior to his being appointed Adjutant this Officer particularly distinguished himself as Signalling Officer during the operations at POZIERES in July 1916. Previously awarded Military Medal (for act of gallantry when a Private).
