

## Early Years Parent Numeracy Workshop

Dear Parents,

This term we are holding a Maths Workshops for Parents. The focus of these workshops is Number- specifically- the four operations, addition, subtraction, division and multiplication. Teachers from Kinder to Year 2 will share some activities, strategies and language commonly used in their classrooms with you. You will also have an opportunity to play the same games and ask questions about the language of Early Years Maths. At the end of the session you will also get a show bag of these activities and the resources needed to play them to take home and use with your own children.

The **Early Years Maths workshop** will be held on **Wednesday 27<sup>th</sup> May 6:00-7:00pm**. When we have confirmation of numbers attending we will confirm the venue via a reminder note on Monday 25<sup>th</sup> May.

To make sure we have enough show bags for everyone could you please fill in the RSVP form below as soon as possible and send it back to your classroom teacher. We look forward to seeing you all then. Please feel free to email me ([idoyle@dominic.tas.edu.au](mailto:idoyle@dominic.tas.edu.au)) or come and see me in Room 5, if I can help you further.

Kind regards

Jane Doyle

Coordinator of Teaching and Learning K-6

I would like to attend the **Early Years Maths Workshop** on:

**Date:** Wednesday 27<sup>th</sup> May 2015

**Venue:** To be confirmed on Monday 25<sup>th</sup> May

**Time:** 6:00-7:00pm

Child's name and class: .....

Please print your name: .....

Signed: .....
