

Australian Performance Indicators
in Schools Assessment (AusPIPS)

Dear Parents,

Prep students are involved in many new and exciting experiences as they move towards being independent learners. Many of these experiences will be new for you as Parents as well.

On Wednesday 18th March all Prep Parents and Carers are invited to attend a **Prep Parent Conversation** where we will share with you information with you about the **AusPIPS assessment** your child participated in recently and ways in which you can help your child at home. (More information about Reading development in the Early Years will be given at the Literacy workshop later on that same day.)

Where: LOTE room in the Savio Centre

When: Wednesday 18th March

2:30-3:00pm

Please fill in the participation slip below to indicate your availability for this meeting and return it to your child's class teacher by Friday 13th March.
