

Years 3 – 6 Parent Numeracy Workshop

Dear Parents,

This term we are holding a Maths Workshop for Parents. The focus of these workshops is Number- specifically- time, multiplication and division, problem solving and money. Teachers from Year 3 – Year 6 will share activities, strategies and language commonly used in their classrooms with you. You will also have an opportunity to engage in some example activities and ask questions about the language of Maths. At the end of the session you will receive a show bag with activities and the resources to take home and use with your children.

The **Years 3 - 6 Maths workshop** will be held on **Wednesday 3rd June 6:00-7:00pm**. When we have confirmation of numbers attending we will confirm the venue via a reminder note on Monday 1st June.

To make sure we have enough show bags for everyone could you please fill in the RSVP form below as soon as possible and send it back to your classroom teacher. We look forward to seeing you all then. Please feel free to email me (scunningham@dominic.tas.edu.au) or come and see me in Room 14, if I can help you further.

Kind regards

Sue Cunningham

Coordinator of Teaching and Learning 3-6

I would like to attend the **Years 3 - 6 Maths Workshop** on:

Date: Wednesday 3rd June 2015

Venue: To be confirmed on Monday 1st June

Time: 6:00-7:00pm

Child's name and class:

Please print your name:

Signed:
