

18 February 2015

Dear Parents/Carers

The Southern Tasmanian Catholic Colleges Trade Training Centre is holding a combined VET Information night for VET students at the Glenorchy Campus of GYC on Thursday 5 March at 7.30pm. This invitation is open to all students who are interesting in enrolling in a VET course in 2015 and attend the Colleges of the STCTCC of which Dominic College is a member. It is a requirement of enrolment in a VET course that all VET students and at least one parent attend.

At Dominic College the students in the following electives are invited to attend the VET Information Night at GYC Glenorchy Campus:

- VET AgriFoods
- VET Construction
- Design in Metal/VET Engineering

Students who are interested in enrolling in a VET course should have received the following Course documentation:

- Enrolment Form
- Contract
- Student Handbook

At the VET Information Night, the requirements and expectations of the course will be fully explained along with an opportunity to ask questions. Tours of the GYC facilities will allow you to see the opportunity students will have to continue their VET Pathway at GYC in Year 11 and 12.

Please return the permission slip by Monday, 2 March 2015. If you have any further queries please contact the VET Co-ordinator, Mrs Selina Kinne on 6274 6048 or email skinne@dominic.tas.edu.au

Yours sincerely

*Mrs Selina Kinne
Director of Teaching & Learning 7-10
Head of Technology and Applied Studies*
