Business Office Information

School Fees

The following information regarding fees was provided at your enrolment interview. To refresh your memory, we are including it here again.

Before commencement, all up-front fees (Application Fee, Confirmation Fee and Building Fund Contribution) for your child must be paid. You will be aware that the Building Fund Contribution (\$630) is tax deductible.

When parents accept a position for their child, or children, at the College, they acknowledge that full payment of all fees will be made by the due date. Our tuition fee is all-inclusive for academic activities, ie there are no subject levies and cost for local excursions and/or visits from outside performers (or other skilled professionals) organised by the College are generally met by the College. Costs of co-curricular activities, in the main, are covered by the tuition fee, the exceptions being school camps and tours. Extra-curricular activities (eg aerobics, ballet, Science Club, After School Art, and private tuition for music, drama, swimming etc) are the responsibility of parents, as are purchases of stationery and uniforms.

The College has an Accident Protection Plan which provides insurance coverage for students at all times, not only when at College or involved in College-related activities.

Fees are to be paid in four equal instalments and are due two weeks prior to the commencement of each new term. They can be paid using BPay, a credit card or by cheque. Please do not bank term fees directly into the Ormiston College account unless given specific instructions to do so.

If at any time you are experiencing difficulty with payments, we encourage you to contact either the Business Manager or Headmaster to discuss this.

Term 1: Tuesday 15 January 2019

Term 2: Wednesday 10 April 2019
