## SCHOOLS KNOCK-OUT ATHLETICS TWILIGHT COMPETITION - FINAL DETAILS

(Thursday 27<sup>th</sup> August - Tomorrow)

This competition acts as 'Final Trials' to help select our best ACC Athletics Squad, and also allows students to record an official time, distance or height and gain some exposure to Inter-School Athletics Competition at Challenge Stadium. Details are as follows:

**SENIOR - Years 11 & 12 (Boys & Girls)**

**INTERMEDIATE - Years 9A & 10A (Boys & Girls)**

**JUNIOR - Year 7A, 7B & 8A, 8B (Boys & Girls)**

- \* Attend School in correct PE Uniform on Thursday 27<sup>th</sup> August (tomorrow)
- \* Meet at School Café Veranda at 1.30pm for roll
- \* Depart by 1.45pm
- \* Events commence at 3.30pm
- \* Return to School at approximately 7.00pm
- \* School PE Uniform to be worn (**Inter-School Athletics Singlet provided**)

Students and parents have been notified of their selection via parental e-mail, including the information letter. The SKO Squad is also on the School's sports noticeboards as well as announced in School.

## ACC ATHLETICS SQUAD PUBLISHED

(Final Squad announced Friday 11<sup>th</sup> September Week 8)

Following the Inter-House Athletics Carnivals, our 'Provisional' ACC Athletics Squad was named and announced within School. All parents of respective students were notified via e-mail and the recent attendance at training has been excellent. ACC Athletics training continues until Week 8 and is aimed towards:

- \* Final Selection process for the ACC Carnival
- \* To develop a good Squad Spirit allowing the demonstration of our ACC Squad values of '**Dedication, Hardwork & Ambition**'
- \* Provides opportunity for specialised event training
- \* To familiarise student athletes for the correct rules and procedures for the ACC Carnival

**There is no training this Thursday due to the Schools Knockout Athletics meet which a number of students are involved in.**

All selected students are asked and expected to attend training once per week (preferably twice) in preparation for the School's ACC 'A' Division Athletics Carnival on Wednesday 16<sup>th</sup> September. Students who are 'contenders/reserves' can still get into an event if they beat a time or distance achieved at the Carnival as a result of training or the Schools Knock Out Competition. All named students travel with the Squad, including reserves due to the potential of unforeseen injury and illness and personal circumstances.

**The 'Final' ACC Athletics Squad will be published on Friday 11<sup>th</sup> September in Week 8.**

All information including event times, divisions, students involved in the '**Provisional ACC Athletics Squad**' including the training schedule and information booklet given to selected students will be e-mailed directly to parents. Students who participate in ACC Athletics are eligible for either **Sports Colours** or **Honours**.

## SSWA CHAMPION SCHOOLS KNOCK OUT SOCCER RESULTS

The Junior Girls Soccer Team played well against Mercy 'B' in the last eight Schools in the Competition. They narrowly lost 2 -1; my thanks to Mr. Borrello for another successful coaching campaign this year!  
Well done girls.

## STUDENT SPORTING SUCCESS

Recently, Tyler Pedley has achieved selection to the State U13 Hockey Team, whilst Preston Jones recently travelled to Adelaide as part of the WA State Karate Team to attend the 2015 National Karate Championships. Well done to both students who have demonstrated great dedication to their respective sports whilst also balancing their School work successfully!

Abbigael Fulcher has also qualified the State U15 Touch Rugby Team for the second consecutive year and will travel to the Pacific Games later this year. A number of girls have been highly successful in Netball in the West Coast Region of Joondalup and Wanneroo including Georgia Morgan, Alexandra Morgan, Ella-Tudor Roberts, Delaney Smith, Cassidy Smith, Olivia Fowler, Olivia Bell, Tess Hopes, Ella Yates and Ellie Walters! Caitlin Chase has also been talent identification selected as a Junior Netball Umpire for the State U12 Indoor Team which will travel to Sydney later this year.

Well done to all!

**Bernie Streeter**

Inter-School Sports Coordinator

## NEW FITTED PERFORMANCE SPORTS SHORTS AVAILABLE

The new Peter Moyes ACS fitted performance sports shorts are now available for purchase from the Uniform Shop. The shorts are designed around a performance 'SKINS' based garment and are very reasonably priced.

All ACC Athletics students who compete in Sprints, Long Jump or High Jump are encouraged to purchase them for the ACC 'A' Division Carnival where the rules for School Team colours to be worn are very strict.

The new fitted shorts can also be used for the following:

- ACC Cross Country & ACC Athletics Carnivals.
- All Inter-House Sporting Carnivals.
- *Although they are not chlorine resistant for Swimming as we have separate Peter Moyes Swimming Bathers for Inter-School purposes.*
- As an undergarment to the current Physical Education shorts worn by all CAS Teams.
- As an undergarment to the CAS Netball dresses.
- Optional item for Physical Education classes.
