5. The Streets Mulumlung International Scholar: Congratulations Stanley Nona
The Mulumlung (mo-loo-mo-long) initiative will take a group of selected indigenous students from across Australia (however with a particular emphasis on regional and remote areas) to the prestigious academic institutions of Cambridge and Oxford Universities, in the United Kingdom. Academically gifted and talented students will experience an educational journey, that may eventuate in an undergraduate scholarship to one of these universities in their desired field.
The Streets Movement would like to congratulate and thank Stanley Nona for his effort and enthusiasm in applying for the Mulumlung International Scholar Initiative. He produced a strong application and did extremely well in the interview, and as a result was selected in the top 5 students!
The judges were impressed by his presence, strong sense of culture and raw nature in the interview. As a result Stanley receives a scholarship to travel to the UK to spend time in universities such as Cambridge and Oxford in October. Congratulations Stanley!
