

# Personal Belongings Requirements Checklist

In addition to the School uniform, students need normal casual clothing for wearing around the House and a set of "neat casuals" for wearing on slightly more dressy occasions such as church services and socials. The following list of clothing and equipment provides a guide for parents as to what is needed and how much is needed in order to manage between laundry days.

As a guide for you this is a list of items needed by each student, with some items optional. This does not include school uniforms.

**NOTE: No item must have messages, pictures or prints on it that do not fit in with the Christian atmosphere of Peace. Such items will be impounded.**
